VISIT TEMORA

This simple, but all too common image of a boy waiting for his dad out in the paddocks during harvest was captured by @lowesheather in the peak of harvest.

To enter the Picture Yourself Photography Competition, simply use the hashtag #VisitTemora when posting pictures of things happening in Temora Shire and we will select one photo per month to feature in the Narraburra News and to be displayed as Temora Shire Council's Facebook cover photo for a month.

THINK TWICE THIS AUSTRALIA DAY WEEKEND

Temora Shire Council's Road Safety Officer, Michelle Doolan, is reminding motorists to be vigilant when travelling over the long weekend.

Speeding is the number one road safety behavioural issue in our local government area.

Double demerit points will be effective over the long weekend and police are hoping to reduce the incidence of speed related crashes in our area.

Ms Doolan says "Double demerit periods are designed to encourage drivers to be extra attentive on our roads during busy holiday periods. Drivers should always take responsibility, but this is even more important during holiday periods when there are so many more vehicles travelling on our roads."

Highway Patrol Command have advised that Police will be targeting speeding and there will be highly visible and targeted patrols on our roads over the weekend.

For further information on double demerits please visit the Centre for Road Safety at [roadsafety.transport.nsw.gov.au](http://roadsafety.transport.nsw.gov.au).

TEMORA'S INVESTMENT BOOM

2018 will see Temora jump leaps and bounds economically with over \$76M worth of investment in residential, commercial and community infrastructure right across the Shire. This amount excludes the significant investment anticipated by the rollout of the NBN in Temora mid-2018 and annual works on the Shire's road network.

Development applications approved for the 2017 calendar year totalled over \$33M in value, which is more than double that of 2016 (\$15.4). With an additional \$43M in the pipeline for known commercial developments and community infrastructure projects, residents can look forward to seeing the economy grow, providing more employment opportunities and a range of upgraded facilities in Temora

and villages. Large developments due for delivery in 2018 include the free range egg farm, improvements at the Temora Agriculture Innovation Centre (TAIC) and the Timmins Street, 72 place childcare centre. Also in the pipeline are plans for construction of a new Narraburra Lodge which will add another 50 beds to their capacity, a new RFS shed for Narraburra, toilet amenities at Hillview Park, new play equipment for Nixon Park, Temora West Public School and Temora Greyhounds, upgraded amenities at Aria Park sporting ground, construction of the Railyard Trail, refurbishment of the Lions Club kitchen, construction of a new foyer and other internal improvements at the Town Hall, and a restoration for

Springdale Community Hall. Council has also received a modification to the development application to construct a solar farm at Gidginbung. This project was approved in 2016 but did not receive Federal funding so was put on hold. The modified application worth \$28M will see the farm increase from 15 to 25 megawatts. Craig Sinclair, Temora Shire Council's Economic Development Officer, said "It is a very exciting time for Temora Shire and we're thrilled to see so much investment in the economy. This level of activity is a reflection of the confidence of the business community in Temora, the growth in residential population, and the focus of State and Federal governments on regional Australia."

Looking ahead as a connected community

In 2016 Temora Shire Council undertook a review of the Community Strategic Plan.

We are now looking to refresh the details in the plan and to do so require your assistance.

Groups and individuals are invited to provide Council

with their views, issues of concern, and requirements for upgrading or building new facilities.

It is important that the community communicate their needs to Council as items not included in the plan will not be funded by Council.

Those interested in discussing their ideas or concerns are asked to respond, in writing, to the General Manager, PO Box 262, Temora NSW 2666. You can view the Community Strategic Plan on our website [www.temora.nsw.gov.au](http://www.temora.nsw.gov.au).

## UP CLOSE AND PERSONAL WITH OUR COUNCILLORS

~ Lindy Reinhold ~

### DESCRIBE A TYPICAL WEEKEND IN YOUR LIFE:

Now I'm not in the café. ....this is a new experience. I enjoy reading the paper with a cup of tea.

**WHAT ARE YOU MOST PROUD OF?**  
Bringing "seriously good coffee" to Temora.

**WHAT WOULD YOUR ULTIMATE HOLIDAY BE?**  
A cruise, one day.

**WHAT PROGRESSION OR CHANGE WOULD YOU LIKE TO SEE FOR TEMORA SHIRE?**

To keep the momentum going. Some projects happen quickly, others take a long time and I'm learning to be patient. I'm thrilled with the recent announcement by the State Government that we've received \$680,000 for a much needed upgrade to Temora Memorial Town Hall.

**WHAT IS YOUR FONDEST MEMORY?**

Family get together. ....as kids we would sing (usually Abba) and put on concerts, play backyard cricket and have water fights. We were a noisy bunch.

**IF YOU COULD DESCRIBE YOURSELF IN 5 WORDS, WHAT WORDS WOULD YOU USE?**

Sorry Max... Red & White (Swans)!

**NAME:** Lindy Reinhold

**OCCUPATION:** Until recently I was part owner of Living and Giving for thirteen years.

**TERMS IN OFFICE:** One.

**WHERE WERE YOU BORN?**  
Temora.

**WHAT ARE YOUR FAVOURITE PASTIMES?**

Walking around the lake.

**WHAT IS A PET PEEVE OF YOURS?**

People using mobile phones whilst driving.

Temora's Clean Up Australia Day is Sunday 4th March, 2018. Each participant will receive a pre-paid garbage voucher to be used at the Temora landfill site in Teal Street, worth \$10. This equates to a small box trailer (6X4) or utility. Registration is vital to assist site supervisors.

Garbage bags will be supplied to you and will be collected by the site supervisors when full. Registrations for participation will take place from 8:30am at Gloucester Park. Please ensure that you bring along gloves, a hat, sturdy shoes, sunglasses, sunscreen and a drink.

### WHY NOT VOLUNTEER TO HELP CLEAN UP TEMORA?

**Again this year, Council will be offering our senior residents a bulky item collection within the township of Temora on Tuesday, 27th February, 2018. Any interested senior residents should contact Council on 6980 1100 by 4:30pm Thursday, 22nd February, 2018**

## IMAGINE AWARD FOR RURAL MUSEUM

~ One of the best in Australia ~

The Temora Rural Museum received a Highly Commended in the Exhibition Projects Category of the IMAGInE awards for volunteer organisations with 2 or less paid staff recently.

The IMAGInE awards recognise the people who work in museums and galleries across NSW and the contributions they make.

IMAGInE celebrates all institutions—the big to the small—and pays homage to those organisa-

tions run by volunteers, with limited budgets and minimal resources.

These awards offer a unique opportunity for museums and galleries in NSW to advocate, promote their achievements and raise their profile within the sector and the broader community.

Recognition must go to staff and volunteers who work tirelessly to make the Museum one of the best in Australia.

## MYH2O SPLASHES INTO OUR PALMS

Goldenfields Water plans to give its customers fingertip control over their water use with the development of the app, MyH2O.

The app will allow customers to monitor their water usage, be alerted when there is abnormal water use from the registered household and receive up-to-date news and alerts.

Last year Goldenfields Water became the first NSW water utility to set up MyH2O – a completely free online service that lets customers know how much water is being used at their property every hour and what it is costing.

"Hundreds of residents, farmers, business owners and others have already started

using the MyH2O service since it became available," General Manager of Goldenfields Water, Mr Phillip Rudd said.

"From tracking water costs and setting consumption targets with SMS alerts through to warnings about supply interruptions, the app will have every tool customers need to control their water use and save this vital resource."

MyH2O is linked to the smart meter technology Goldenfields Water has installed in the water meters of customers.

The MyH2O app is being made possible thanks to \$100,000 in funding from the Australian Government's Smart Cities and Suburbs Program.

**MyH2O is available to customers within the local government areas of Bland, Coolamon, Junee and Temora that are supplied water directly from Goldenfields Water. Simply go to [www.myh2o.wcc.nsw.gov.au](http://www.myh2o.wcc.nsw.gov.au) and select "sign up now" and follow the prompts. It's that easy.**
