**VISIT TEMORA**

@dottyscott56 shared her watercolour sketch of the Temora Post Office on Instagram recently. @dottyscott56 said in her post "My Great Grandfather was the Postmaster here 1930-1935. One roof turret built by Chinese, the other by Germans".  
 If you capture a great shot within our shire be sure to tag it #visittemora To enter the Picture Yourself Photography Competition, simply use the hashtag #visittemora when posting pictures of things happening in Temora Shire and we will select one photo per month to feature in the Narraburra News and to be displayed as Temora Shire Council's Facebook cover photo.

**Information for Tourists to be Big and Bold**

Temora Shire Council are now in the final stages of developing the content to be placed in Information Bays located at Springdale, Ariaiah Park, Lake Centenary, Temora West Park and the eastern entry way to Temora on the Burley Griffin Way.

Council have been working closely with Cuttlefish Designs and Irvine Signs to develop the signage which includes maps of the area highlighting things to see and do, places to eat and stay as well as timelines highlighting historic milestones in the development of our Shire.

**WE WILL REMEMBER THEM**

~ 2018 marks the 102nd Anzac Day ~

On the 25th April, 1915, the Australian & New Zealand forces landed on Gallipoli meeting the fierce resistance of the Turkish armed forces. What had been planned as a bold move to knock Turkey out of the war quickly became a stalemate.

The campaign dragged on for eight months and more than 8,000 Australian lives were lost in battle. Anzac Day, 2018, marks the 102nd Anzac Day commemoration, the first being on April 25th, 1916, which saw a variety of ceremonies and services across Australia, a march through London and a sports day in the Australian camp in Egypt.

During the 1920s, Anzac Day was established as a national day of commemoration for the more than 60,000 Australians who had died during WWI. In 1927, for the first time, every state observed some form of public holiday and by the mid 1930's all the rituals we now associate with the day (dawn vigils, marches, memorial services, reunion and, of course, two-up) were common place. With diggers from WWI having all since passed away and surviving WWII veterans well into their 90s, Anzac Day has since become a national day of recognition for all veterans and service men and women who have, and are, defending our country.

Now, on the 25th April each year, we take the time to remember those who've fallen, those who have served and those who continue to serve for our country.

*They shall not grow old, as we that are left grow old;  
 Age shall not weary them, nor the years condemn.  
 At the going down of the sun and in the morning;  
 We will remember them.*

**~ Brittany Returns to Temora to Fulfil her Dreams ~**

In February Brittany Turner took over from Megan Harris as the Lachlan Landcare Coordinator for the Temora and Bland shires. Brittany grew up on a sheep and cropping farm at Grogan. Having recently completed her studies in Environmental Science at University of Canberra, Brittany is excited to, quite literally, get her hands dirty. During the last three years Britt has worked in ecology and water sciences throughout Hay and Hillston along the Lachlan River doing reptile, bird, fish and vegetation surveys. More recently she has been researching invasive animals, mostly deer, and the social conflicts associated with them. Brittany is looking forward to getting out into the community and sharing her passion for the environment. The role of the Lachlan Landcare Coordinator is to provide educational programs and to get the community involved in the natural environment and productive, sustainable farming practices. Some upcoming projects include the backyard fruit tree and fruit fly workshop, positive farming footprints looking at giving participants tools for decision making, temperament and succession planning for farmers. Later in the year there are plans for Women in Agriculture seminar and continuing right throughout the year, the work at the beautiful Hillview Park community garden.

## SPITFIRE DRIVE ~ off to a flying start ~

Spitfire Drive, the latest stage of development at the Airpark Estate, is now open for sale through QPL Rural with blocks ranging from anywhere between \$80,000 to \$140,000.

Since the sale of the blocks was launched at the end of December 3 blocks have sold with discussions taking place on several others. This is currently the final stage of development at the Airpark Estate, and at these prices they are not expected to remain on the market for very long.

Temora Airpark Estate provides the highest level of convenience for aviation enthusiasts and their families – offering direct access from home to hangar to the runway, all within a few hundred metres, in a modern estate layout with all the services and facilities required.

Whether you wish to purchase for your own development or as an investment in one of Australia's leading aviation estates, now is the time to act.

Contact QPL Rural on 6978 1008 or visit [www.airparkstatetemora.com.au](http://www.airparkstatetemora.com.au) to find out more about this incredible opportunity.

## CHAT WITH A COUNCILLOR

~ A chance to have your say ~

Temora Shire Councillors will, once a month, be attending one of our local cafes to have a chat with you.

The new initiative is designed to provide residents with an informal platform where they can raise their concerns or questions, provide feedback and comment, or simply get to know our councillors a little better over a cup of coffee on a Saturday morning. Although dates and times are still to be confirmed, plans

are underway for the first "Chat with a Councillor" to take place in April at Living & Giving.

Council are committed to keeping communications open and transparent between our residents and councillors. Notifications will appear in the Temora Independent, the Narraburra News and on our social media pages each month alerting residents to date, time and location of each month's Chat with a Councillor.

## CORRECTION

Please note that last month's Narraburra News had incorrect 40km/hr school zone times in an image. The correct times for 40km/hr school zones in Temora are 8am – 9.30am and 2.30pm – 4pm school days.

## TEMORA YOUTH TEAM EXCITED TO LAUNCH YOUTH WEEK 2018

Mark Friday 20th April in your calendar because you are NOT going to want to miss the 2018 Youth Week program!

After a massive success last year the Totem Group Skating Pros will once again be holding workshops and showcasing their skills at the Temora Skate Park from 10am – 12pm, for FREE!

When you are all skated-out head over to the Sound Shell where a variety of performers will be taking the stage from midday to deliver a FREE public performance of the skills they have been working on in the Youth Creative & Performing Arts and Youth Rock programs. There is also a call-out to anyone who'd like to share their talents, whatever they may be, to perform. Those who would like to perform should contact Youth Officer, Mel Carter.

The Youth Hospitality Team will be serving up a delicious feast from 12pm. For just \$9 you'll get a burger, fries and a drink to savour whilst you enjoy the talent on the stage. The Youth Hospitality Team will also be selling

ice-blocks, drinks and confectionary throughout the day.

To top off an awesome day finish with the unbelievable fun of Archery Tag!

From the same people that brought the outrageously funny Bubble Soccer in 2017, Archery Tag will have you strategically plotting

your attack on the competition.

Form a team and battle like it's 1642 – without the blood (hopefully).

Youth Week is a great opportunity for people of all ages to come along and see what our Youth Teams get up to whilst having a whole lot of fun.

## DON'T TRUST YOUR TIRED SELF

~ Be safe on the roads ~

With Easter, Anzac Day and School Holidays throughout April please remember to plan your trips away to include rest periods and breaks when travelling.

Fatigue is one of the top three killers on Australian roads, and a particularly big issue on country roads.

The key things to remember are:

- Get a good night's sleep before departing
- Arrange to share the driving
- Take regular rest breaks
- Take a nap if tired, 20 mins works best.

Driver Reviver stops are located through NSW and other states, and online rest area maps can be found at [www.rms.nsw.gov.au/roads/using-roads/trip-information/rest-areas/index.html](http://www.rms.nsw.gov.au/roads/using-roads/trip-information/rest-areas/index.html).

**Remember  
– STOP, REVIVE, SURVIVE!**

## Council Commences Temora Flood Study

The first meeting of the Temora Floodplain Risk Management Committee was held on the 8th of March, 2018.

Council has received financial support from the NSW Office of Environment and Heritage Floodplain Management Program to undertake a flood investigation of the Temora town area.

Council has appointed consultants from Water Modelling Solutions to assist with completing the study. The consultants have already

commenced work, examining and mapping the many flood drainage structures in Temora.

The project is overseen by the Committee, which includes Councillors, Council staff, Government agency representatives and members of the community.

The aim of the study is to provide a better understanding of flood behaviour and consequences in Temora, using local flood history and data, and develop-

ment of flood modelling and mapping.

The models will then be used to assess a range of flood management options.

Residents are encouraged to complete the Temora Flood Study questionnaire in order to assist Council, by providing local knowledge of flooding history in Temora. The questionnaire should be returned to Council by 16th April.

The project is expected to be completed in late 2018.

For further information or to download a copy of the questionnaire, go to <http://www.temora.nsw.gov.au/about-council/news/what-s-on-exhibition/temora-flood-study.aspx>.

## 2018 TEMORA BUSINESS AWARDS PROGRAM UNDERWAY ~ Celebrating local businesses ~

The 2018 Temora Business Awards program is getting underway, celebrating the strength and diversity of local business.

Temora Business Enterprise Group (TBEG) is again co-ordinating the prestigious local program following the success of the Awards reintroduced last year after an absence of several years. TBEG is looking to build on that interest and ensure all Shire businesses are aware of the program and the opportunities it presents.

The Temora Business Awards will again feature individual and business categories and will be aligned with the NSW Business Chamber program, which enables local winners to progress to regional, and possibly State

level with associated promotion and recognition opportunities.

Feedback from last year included that the Awards process is also valuable for business self assessment and development.

TBEG is conducting an Awards workshop, on Wednesday, March 28th, from 5.30pm at the Temora Hotel, in conjunction with its regular Beers n Business Connect Event.

Guest presenter will be Jane Barnes, from the Office of Regional Development, whose experience and insights will be of much interest. All welcome to attend.

For news and updates see TBEG Facebook or [www.tbeg.org.au](http://www.tbeg.org.au).
