VISIT TEMORA PLATFORM Y

This shot was taken during a recent Youth Leadership Team meeting at Platform Y where local Police Officers, Senior Sergeants Krause and Coddington talked with the Youth Team about their role in the community, their training and what it really means to be a Police Officer in Temora Shire.

Currently the Youth Teams hold regular meetings for Wellbeing, Hospitality, Cultural & Performing Arts, Leadership, Media and Gaming. You can follow Temora Youth on Facebook and Instagram @temorayouth to keep up to date with what our Youth Teams are doing. For more information on the Youth Teams contact Youth Officer, Melissa Carter, on 0418 029 230

If you take a great picture within the Shire boundaries we'd love to see it. Simply use the hashtag #VisitTemora on Instagram so we can see your work and one image a month will be selected to feature in the Narraburra News and as our cover photo on Facebook.

Goldenia Tea 'Always Gives Satisfaction'

Tea has played an important role in Australia's social and economic history and continues to be one of our favourite beverages.

In view of this, the Temora Shire Heritage Committee has noted the weathering of the Goldenia Tea sign on the Northern facing boundary wall of Cornfords Hardware located in Hoskins Street Temora. The committee would like to see this sign beautified/enhanced so that future generations may continue to appreciate it.

To get this project underway the Temora Shire Heritage Committee are seeking assistance from community members or groups for financial assistance.

Based on a preliminary quote by a local provider, it is estimated the cost for restoration will be \$2,800.

Temora Shire Heritage Committee member, Mrs Belinda Bushell, is keen to hear from persons interested in assisting with this project. She can be contacted at Temora Shire Council on (02) 6980 1100.

ECONOMIC CONTRIBUTION ACKNOWLEDGED

FarmLink hosted Temora Shire Council (TSC) for its regular operational meetings on Tuesday, June 12, which was an ideal opportunity for Councillors to learn about FarmLink's management of Temora Agricultural Innovation Centre and the remarkable progress being made at the centre.

FarmLink Chief Executive Officer Cindy Cassidy, updated Councillors on the progress being made on infrastructure works which were stimulated by a \$1.8 million GRDC Grains Research and Development (R&D) Infrastructure Grant awarded to FarmLink, in partnership with Temora Shire Council.

Councillors heard that the major component of the works, construction of the 100 megalitre dam, had been completed, with final associated pumping and pipe works to be completed. Discussion at the meeting centred on how the dam would be filled from Council's Sewerage Treatment works and the policies being developed to ensure it does not impact on existing usage of the recycled effluent water.

Council has also completed additional drainage works, along with the selective removal of some paddock trees which was deemed necessary to accommodate the expanded

Irrigated Cropping Precinct. To offset this removal, a tree planting will soon be conducted on another area of the farm.

Councillors also heard that the administration building and processing shed upgrade works had been completed and took the opportunity to

Gary Lavelle proudly holds the Local Economic Contribution Award presented to Temora Shire Council at the Local Government Professionals Australia, NSW Local Government Excellence Awards.

inspect the new office spaces which had been created.

Ms Cassidy paid tribute to Council's Kris Dunstan, Rob Fisher, James Durham and other staff who had ensured the works were taking place to a high standard and within the required timeframes and

budget.

Ms Cassidy also explained to Councillors the five-year agreement FarmLink had developed with Hutcheon and Pearce, allowing farming operations at evolve TAIC. The change involves moving from a conventional tyre-based system to a controlled traffic, disc-seeded, stubble-retained system with a greater focus on utilizing technology to increase efficiency and profitability. The partnership will see Hutcheon and Pearce provide equipment and support for farming operations at TAIC during this period.

The meeting of Councillors with FarmLink was timely as it came on the back of TSC being announced as winner of the Local Economic Contribution award at the Local Government Professionals Australia, NSW Local Government Excellence Awards. The award recognises innovation in leadership and management for a project/initiative that has enhanced the economic wellbeing of their local government area and increased the value proposition to ratepayers and residents, through its investment in TAIC. TSC has partnered with FarmLink for the last seven years, with FarmLink embracing the management of TAIC to ensure its sustainability into the future.

Jobs Riverina Connecting Workers to Jobs

Regional Development Australia (RDA) has launched a new initiative to connect local people to local jobs.

The platform, Jobs Riverina, is a one stop portal allowing job seekers to easily find work opportunities and apply online. It also gives employers a cost-free way to expand their recruitment processes to an audience specifically interested in working in the region.

The website also offers services to job seekers with assistance in application writing and building a CV.

Visit the Jobs Riverina website www.jobsriverina.com.au or for further information contact RDA Riverina Director of Regional Development and CEO Rachel Whiting on 0429 444 213

National Tree Day

FRIDAY
27TH JULY
10 - 11:30 AM

HILLVIEW PARK

TEMORA UNEARTHED

In partnership with TBEG, Temora Shire Council launched the Prosper Initiative in late June as the official unveiling of the main street rejuvenation project.

The Prosper Initiative is a working group made up of community members who are passionate about seeing Hoskins Street grow as the vibrant face of our town.

Undeniably, Temora is a small town that thinks big. Innovation, boundless dreaming, and not backing down from a challenge are all traits synonymous with the Temora community. So, as part of the Prosper Initiative, last month's Beers n Business event featured three new entrepreneurs from the community to share their experiences, journeys and goals with the network under the Temora Unearthed project.

Temora Unearthed aims at getting to the grass roots

of real start-up businesses by creating conversations that inspire, resource and equip locals with new businesses or business ideas to take that next step.

Ali Swanston from Gypsy Girl Beauty, Renelle Harrison from RH Business and Jess Evans-Thompson from Base Boxing and Fitness, shared their journeys into opening their own business in Temora at the June Beers n Business event.

Anyone interested in developing a local business, or those who have recently opened or taken over a business, is encouraged to contact TBEG and come along to the Beers n Business event held every last Thursday of the month where you can connect with other like-minded risk-takers, work-from-homers, part-time heroes, and a bunch of other people who already walked the same road.

Event: Beers n Business
Where: Temora Hotel
When: Last Thursday of every month
Time: 5:30pm
Who: People looking to network and establish connections with other local businesses
Contact: Liz at tbeg@temora.nsw.gov.au
Craig Sinclair, Economic Development Officer at Temora Shire Council at csinclair@temora.nsw.gov.au or on 6980 1180
Website: www.tbeg.org.au

Disney Classics at Theatre in Aug

A Disney classic film festival is about to hit the big screen at Temora Town Hall Theatre.

Screening each Sunday during the month of August, residents can relive their childhood and introduce some true Disney classics to their own children.

Screenings will be at 11am each Sunday:

5th August: 101 Dalmatians
12th August: Bambi
19th August: Dumbo
26th August: The Lion King

Tickets: www.townhalltheatre.com.au

Girl Over the Edge

After the success of her first memoir, "Girl on the Edge" (2016), academic and author Kim Hodges will be launching her latest book, "Girl Over the Edge" at Temora Library in July.

Kim will speak at the launch about her battle with mental illness, including severe depression, bipolar 2 disorder, anxiety and post-traumatic stress disorder. Her raw and honest approach aims to challenge beliefs, attitudes and reduce the stigma in society around mental illness.

Kim says "this memoir captures the denial, stigma and shame I have in my own mind about mental illness; the debilitating physical and mental agony of the illness; engagements with health professionals, and facing my own mortality."

"A Girl Over the Edge" will be on sale at the presentation for \$30 and is available in bookstores now

Friday 27th July, 11am
Temora Town Library, Free

Australia's most famous babies visit Temora Library

It has been more than 100 years since Snugglepot & Cuddlepie found their way into the homes and hearts of Australians.

Temora Library is celebrating with a free travelling display featuring May Gibbs' iconic artwork.

May Gibbs was Australia's

first full-time, professionally trained children's book author and illustrator, and the display features reproductions of some of her most beloved characters, including the gumnut babies.

The gumnut babies became an instant hit when they first appeared on 5 December 1916. Since then generations of Australians have grown up with and loved reading the tales as children and passing the beloved stories down to their own children.

The travelling display explores May Gibbs' early work, the characters of Snugglepot and Cuddlepie, Ragged Blossom and Little Obelia, her process and examples of how war influenced her work.

The display will be on show at Temora Library from 9 July to 20 July.

~ Landcare don't mind getting their hands dirty ~

The Bland & Temora Landcare Coordinator, Brittany Turner, has

been busy with many workshops and events in and around our Shire.

Last month a very successful "Birds of the Bland" breakfast and birdwatching event took place at Ingalba Reserve as well as other workshops and working bees.

This month an open day with Steph Cooke will be held on

National Tree Day at Hillview Park. Hillview Park is the site of an Australian native plant reserve and the Landcare Community Garden.

All residents are welcome to come along and see the progress of the park and, if interested, join the community garden project.

Friday, July 27th, 10am, Hillview Park, Deutcher Street, Temora

BE AN EARLY BIRD TO SHIFT – CREATE – CHANGE

SHIFT is a one day event exploring the role that creative practice and industry plays in transition and transformation, be it the transformation of spaces, the transition to creative economies, or the power of art to transform lives and communities.

SHIFT is a series of presentations and round table discussions with some of the country's most interesting cultural leaders.

This is an opportunity to meet with over 100 other people from your region to

discuss ideas, projects, collaborations and issues.

This year's guest speakers include:

- Lindy Hume, an Australian opera and festival director who has worked throughout Australia and internationally
- Jess Cook whose experience in managing large scale festivals and creating cultural spaces is invaluable
- Esther Anatolitis who is one of Australia's leading advocates for the arts
- Monica Davidson, a creative business facilitator and

mentor

• Vic McEwan who is the Artistic Director of The Cad Factory, an innovative arts organisation based in regional NSW.

This day, which includes lunch and refreshments, is filled with presentations and discussions that apply to people from all backgrounds and interests.

SHIFT is an initiative of Eastern Riverina Arts in partnership with Temora Shire Council, REROC and Create NSW.

When: Friday 31st August, 2018
Time: Registration from 9:15am and presentations through to 4.30pm
Where: Temora Memorial Town Hall
Cost: \$40 individuals in volunteering roles, early bird (before July 6)
\$80 individuals in paid or professional roles, early bird
How: Book tickets online through www.easternriverinaarts.org.au or www.temora.com.au

COMBINED DROUGHT INDICATOR

The Department of Primary Industries provides a regularly updated report for NSW primary producers detailing all available information on weather conditions within the state.

The Combined Drought Indicator (CDI) is an interactive tool providing more detailed seasonal conditions information than ever before and the data will be used to inform policy and

Government responses to changing seasonal conditions, including drought.

The CDI comprises of four indicators:

- Rainfall Index
- Soil Water Index
- Plant Growth Index
- Drought Direction Index

Using the interactive maps, you can navigate to any region in NSW to see

what seasonal conditions phase that area has experienced over time. You can also see each of the above index measurements in that area.

This allows primary producers to better understand the history of drought and the trends of individual indicators for each region.

To access the interactive map visit the website www.edis.dpi.nsw.gov.au

FOOD VENDORS

Expressions of interest are now open to volunteer and commercial food vendors wishing to deliver food at the NSW RFS State Championships 2018- Temora Opening Ceremony - 5pm -9pm Friday 14 September 2018

The RFS State Championships require an evening meal for 700 games participants, RFS staff, and visiting families.

Please give due consideration to food choice and delivery times.

All meals must be delivered as a package e.g. food + drink + fruit/sweets.

Email expressions of interest to agay-mccrone@temora.nsw.gov.au or call for Amanda Gay for more information 0428029184

~ Don't trust your tired self on country roads ~

Motorists are being cautioned not to trust their tired selves whilst driving.

Council's Road Safety Officer advises "many drivers aren't aware how being tired can affect their driving, and most don't realise just how dangerous it is when we are tired behind the wheel".

"Being awake for around 17 hours has a similar effect on your driving ability as having a blood alcohol content of 0.05 – so it's just like being over the limit".

"Get a good night's sleep before you get behind the

wheel, take regular breaks and share the driving around if possible. Get out of the car, stretch your legs and have something to eat or drink to refresh yourself during a long drive."

"Be alert to the signs of driver fatigue which include yawning, poor concentration, tired eyes, restlessness, drowsiness, slow reactions, boredom and oversteering".

Motorists can minimise the risks of suffering from driver fatigue and keep safe on our country roads by:

- Avoiding setting out on long drives after work
- Taking regular breaks from driving
- Sharing the driving whenever possible
- Pulling over and stopping when feeling drowsy, uncomfortable or starting to lose concentration
- Asking your doctor or pharmacist about whether any medication you may be taking will affect your driving ability.

We care about your wellbeing that's why our Meals on Wheels service have been helping frail older people and younger people with disabilities keep their independence, and stay at home longer, where they are happiest.

Whether you are recovering from chronic illness, surgery or just finding it difficult to cook meals, our meal services are flexible and can be stopped and started as needed.

Our trusted friendly staff and volunteers monitor the health and wellbeing of those they service and provide peace of mind for family members.

We provide a wide range of frozen and hot fresh homemade meals delivered to your door - 6 days a week. Choose from a menu of healthy and nutritious meals soups, mains and desserts.

Contact Pinnacle Community Services on 02 69771 326 to see how you can receive assistance accessing Meals on Wheels or contact My Aged Care on 1800 200 422

TBEG News

TBEG is continuing to work with Temora Aviation Museum and Temora Shire Council towards the huge Warbirds Downunder 2018 event, in October.

TBEG is co-ordinating activities and events in town, including StreetFest, which will fill Hoskins Street from 5-9pm on Saturday, October 13th, at the conclusion of the flying program (Friday, October 12 and Saturday, October 13).

With the expected large influx of visitors in Temora in the days surrounding the event also, there are plans for extended retail trading hours, entertainment, and other activities, including an outdoor movie night.

Temora Aviation Museum will have a ticketing and information marquee located in Paleface Park.

Any one interested in providing food during StreetFest needs to register with TBEG to

ensure notification to Council, and guidelines as to Food Safety regulations.

To enable planning to progress, it would be helpful for TBEG to know what food providers are interested in attending the event.

A \$50 stallholder fee will apply to those who register before August 31st; the fee will be \$100 after this date, with the final date for all notifications to be September 30th. Please advise interest to tbeg@temora.nsw.gov.au

Meanwhile, a special event on the TBEG calendar in July is the 2018 Temora Business Awards presentation evening.

This will be held at the Temora Hotel on Friday, July 27th, with all invited to join in this celebration of the Temora Shire business community. Tickets are \$40.

Bookings can be made via links on www.tbeg.org.au or TBEG Facebook. All welcome.
