HELPING TEMORA PROSPER

THE Prosper Initiative is a program of activities designed to reinvigorate Temora's main shopping precinct and combat the rise of vacant shopfronts.

The Prosper Initia tive is a partnership between TBEG and the Temora Shire Council Economic Development which function, commenced in June 2018 following a noticeable increase in the number of empty shopfronts, a total of 24, in the main CBD.

After I2 months of the program, Temora has witnessed I0 of the 24 shops identified as vacant, now occupied a reduction of 40%

The rise in empty shops was attributed to a number of reasons including:

- increasing popularity of online shopping a more mobile pop
- ulation willing to travel to larger regional centres to shop
- a reluctance of nev

entrepreneurs to open businesses

- retiring business owners
- reluctance to adopt change, and
- some businesses relocating out of the main street.

The Prosper Initiative launched a series of projects designed at arming new and emerging businesses with the tools to prosper, whilst also making it easier for the local community to shop locally. These include:

- Temora Unearthed a series of events whereby emerging business owners describe their journey to existing and potential business owners.
- Site visits / kick starting with a site tour and presentation by founder of Birdsnest in Cooma, which showcases how retail businesses in small regional towns

can embrace online and grow to I 20 staff

- Find It In Temora a self-moderated Face -book group that connects residents with local suppliers of goods and services
- Customer Focus Group - a fly-on-thewall seminar where business owners were enlightened by six young mothers about their service expectations and consumer behaviours
- Retail Guru Insight a group workshop followed bv individual consultations with retail expert Debra Templar
- BREED Business Centre - the opening of an incubator hub for new businesses These initiatives, combined with the

Temora Gift Card and the resilience of our business community. have assisted Temora's CBD to prosper through difficult economic conditions.

Students will observe Council staff and have an opportunity to ask questions directly to staff members.

The tour of Council's Depot facilities provides a safe and controlled environment for students to see some of the unique tools/plant used in the day to day operations of a modern Council.

The Narraburra News is a free monthly newsletter provided for the residents of Temora Shire. The newsletter is primarily aimed at providing information relating to events and services provided by Council or Council-affiliated organisa-tions. The newsletter also endeavours to provide information about other community services and events taking place in Temora Shire. However, in view of space and time constraints, Council news is always given precedence over other community information. If you would like to include details about a community event in the newsletter, please contact Visitor Information Centre Manager, Ann Pike - 6977 1086.

HELP FOR NEW RESIDENTS

HAVE you ever been the newby? The new kid at school? The new guy at work? The new resident in a small country town?

Temora Shire Council are putting together a register of people who may be able to assist new residents to Temora in a number of ways.

You might simply be willing to be a friendly face to a new arrival, or you might be a member of a playgroup that would always like to see new members. Perhaps you have a skill that

might be helpful to new residents, or you're a member of

a sporting group that people can

To join the register please email kslapp@temora.nsw.gov.au with your name, contact details, and in what capacity you might be able to help.

Respect our Cemeteries

RESIDENTS and visitors are reminded that strictly no glass containers and no dogs are permitted in the Temora Shire cemeteries. Additionally, residents are advised that no plantings are

permitted as per Council's Cemeteries Policy. Council appreciates that this is o a sensitive nature but the Policy has been written with the cleanliness of

the cemeteries and the safety of visitors in mind

CANOLA TRAIL VISITOR GUIDE

Trail

Earlier this year, the Canola Trail social media pages went live on Facebook and Instagram, ready for the flowering season that is fast approaching.

The next initiative is to launch a Canola Trail Visitor Guide. As with Temora's Down To Earth guide, the new guide will be designed in a lifestyle magazine format, telling the stories about the people behind the places to enable visitors to get to know the unique personality of our region.

The 80 page guide will be printed on quality paper and be perfectly bound to feel more like a magazine than a tourism brochure.

Having a combined visitor guide that represents three shires will ensure a more efficient representation at caravan and camping shows as well as more cost effective distribution to visitor centres.

It is expected the Canola Trail Visitor Guide will launch in mid-November 2019 with a shelf life of approximately three years.

Advertising in the guide starts from \$349 for a 1/9 page. Contact Ann Pike to book your advertising space tourism@temoran.nsw.gov.au 6980 1221
