Economic Development - Actively target, and support businesses identified in the Economic Development Strategy	Economic Development Manager	Attraction of business	Completed		New business activity in Temora Shire is growing despite impacts of COVID-19. There is strong interest from a range of industry sectors to establish or expand in Temora, including value-add agriculture, manufacturing, aviation, tourism, personal services, aged care, renewable energy, and retail services. The projection for 400+ new jobs in the next 4 years is looking very strong.
Economic Development - Attend quarterly RDA Riverina Economic Development Forums	Economic Development Manager	Attendance of meetings	Completed		The quarterly RDA Forums remain a worthwhile event for connecting with peers in economic development within the Riverina as well as learning about various government initiatives and regional programs coordinated by RDA, such as Country Change and migrant resettlement.
Economic Development - Conduct study to determine needs and develop strategies to address any housing shortfall in market	Economic Development Manager	Study conducted	Completed		This action with completed in 2018. This year Council has progressed with the LEP review to assist new areas of residential housing to be developed. We also continue to work with developers of a range of housing types and estate agents to ensure there is a sufficient supply of residential land. Demand for housing in the sales and rental markets continues to be strong in Temora. This trend is expected to continue with the growth in demand from temporary workers for infrastructure projects as well as permanent population growth from new business growth in the next 4 to 5 years.
Economic Development - Connect businesses with complementary skills, needs and resources.	Economic Development Manager	Assistance provided	Completed		The professional development opportunities for businesses in Temora Shire have never been stronger with the partnership between Council, BREED and TBEG. The BREED business centre has provided a home for professional development delivery and courses are well attended. The relationship with BEC has provided an ongoing stream of training courses and mentorship for new and existing business owners, resulting in a supportive network of businesses.

Action Name	Responsible Officer Position	Performance Measure	Status	Traffic Lights	Annual Comment
Economic Development - Continually review workforce futures plan to determine likely spikes in population and communicate the impacts to relevant stakeholder in advance.	Economic Development Manager	Reports to Council	Completed		The impact of COVID-19 on many developments caused some projects to be delayed in their delivery. Many businesses are readjusting plans in what is a constantly changing landscape. However, all developers are committed to proceeding in Temora. Once their plans become more concrete Council will be in better position to communicate to stakeholders.
Economic Development - Create a development prospectus including Aria Park and update the relevant pages on Council website	Economic Development Manager		Completed for Current Year		Due to the time spent by officers responding to high interest in Temora Shire from developers, there has been little time to dedicate to developing the prospectus. Instead, the economic development pages of the website have been updated, providing more tools and resources for developers. More targeted proposals are presented to developers based on their industry and requirements. This appears to be an effective approach.
