Unknown Graves/Memorial Wall:

A Memorial Wall has been erected in the southwest corner of the Temora Old Monumental Cemetery as well as on the eastern end of the Columbarium Wall at the Aria Park Cemetery. There are numerous burials within the Old Monumental sections of each cemetery whose location remains unknown. Until such time that these burials are able to be located they have been linked to the respective Memorial Wall. Please refer to [Council's website](#) if you wish to arrange for a memorial plaque to be added to the wall.

The Friends of the Temora Shire Council Cemeteries (a committee of Council) are a volunteer group who work tirelessly to locate these graves, installing plaques mounted on a cross or a plinth. Should you have any further information in regards to an unknown burial please contact Temora Shire Council on the below contacts.
