*Fundraising Night with Selina Win Pe*

TEMORA and District Education Fund are thrilled to have Selina Win Pe speak at a fundraising event this September. This semi-formal event will inspire and enlighten attendees and leave a long-standing impression.

Most recently, Selina is known as one of the survivors of the Martin Place Siege in 2014. Although this event changed her life forever, Selina has resolved to use her experience to promote positive change, particularly for drought af-

ected farming communities.

Selina is on her own faith-led path of healing. She is on a journey through involution and evolution in her bid to live a new normal life as her confidence in recreating boundaries of safety and trust grows. This path has led her to rural NSW from where she has drawn immense strength. Selina has found very positive and beneficial healing from being amongst rural communities and has chosen this area to be where

she now gives back.

Selina's Will of Courage™ is her courageous new journey, a testament of her tenacity and personal endurance to keep moving forward and not letting fear win or allowing herself to be defined by any of her past experiences.

Funds raised from the TDEF event help to provide grants to Temora Shire youth who are pursuing post-school education, training or entrepreneurial endeavors.

**What:** TDEF Fundraising Event with Guest Speaker Selina Win Pe  
**Where:** Temora Aviation Museum  
**When:** Friday, 20th September, 2019  
**Time:** 6.30pm  
**Ticket Cost:** \$50 - Available at Wylies's Newsagency

**A GRAND RE-OPENING**

THE Temora Memorial Town Hall could be the heart of our community.

For over 50 years we have gathered at the hall for celebrations, performances and meetings.

Many of us will have very fond memories of events we have attended there.

The Temora Memorial Town Hall was officially opened on the 22nd June, 1966 by the State Governor, Sir Roden Cutler, who dedicated the structure in honour of the men and women of Temora and district who served in the armed forces during WWII.

The hall remained relatively untouched until 2001 when the Public Library was moved to NRCC House in Hoskins Street. This occurrence led to a

series of staged improvement works being undertaken, the most significant being the conversion of the old Library site into an 82 seat cinema. The Temora Town Hall Theatre was opened by the Honorable Phillip Costa, Minister for Regional Development and Water on the 17th July, 2009.

Now, with the recent upgrades to the building, we can expect to see the Town Hall service our community for many more years to come.

With several separate spaces to utilise, the new Town Hall will have the ability to provide a venue for any occasion. The auditorium has received a facelift, with new curtains, sound system and lighting. You will also

notice some cosmetic changes to the interior of the auditorium and the supper room. The new foyer provides an excellent space for formal gatherings with access to the bar, accessible toilets, entry to the Town Hall Theatre and a modern and bright atmosphere. The Town Hall Theatre will continue to provide a first grade venue for a wide variety of events.

The grand re-opening of the Temora Memorial Town Hall is expected to be a significant event in the 2019 calendar.

Residents are invited to attend the celebrations which will include a walk through the Town Hall to inspect the improvements, refreshments and official opening.

**What:** Temora Memorial Town Hall Grand Re-opening  
**When:** Friday, 13th September, 2019  
**Time:** 4.00pm walk through, 5.00pm entertainment, 6.00pm official opening, 6.30pm close  
**Exhibition open:** 31st August - 6th October, 9.30am - 3pm daily

## Wood Collection

There are Council rules to be abided by when collecting firewood.

ALTHOUGH the winter months are now behind us, Council would like to remind residents of the rules around firewood collection.

- Council do not issue wood permits
- It is not permissible to remove firewood from a Council road reserve
- Council will not give permission to anyone to remove timber with the exception of suitably qualified

contractors to remove trees considered to be dangerous by Council or that are required to be removed for roadwork purposes

- It is an offence to impede traffic flow, fell timber, remove burls or any part of standing timber
- It is an offence under the Local Government Act 1993 where a person who, without lawful excuse, wilfully

or negligently injures, damages or unnecessarily disturbs any plant, animals, rock or soil in a public place

If a resident witnesses an instance of unauthorised tree removal, damage or pruning of trees on Council land, please contact Council's Environmental Services Department on 6980 1100. Council Officers will then investigate.

For further information contact the Office of Local Government's Program Delivery team on 02 4428 4100 or [olg@olg.nsw.gov.au](mailto:olg@olg.nsw.gov.au). To view the fact sheet about these changes go to [https://www.olg.nsw.gov.au/sites/default/files/OLG\\_Greyhound\\_FactSheet\\_v02.pdf](https://www.olg.nsw.gov.au/sites/default/files/OLG_Greyhound_FactSheet_v02.pdf)

## Spring Cleaning

COMING in to the warmer months it is important to assess and rectify possible dangers in your yard and property.

Start now! Your property upkeep is your responsibility. Include the outside yard or entirety of your block in your spring cleaning

schedule.

The registered owner is obliged to ensure that all lots are maintained in a clean and tidy condition, free from accumulations of rubbish or waste material.

If the grass exceeds forty centimetres (40cm) in length Council are

entitled to issue a notice to the registered proprietor to cut the grass.

Council may engage its employees or contractors to enter the property to cut the grass and to remove all waste material at the cost of the registered proprietor if they do not comply.

## Authorised Restraint Fitting Station

We all know the importance of having accredited child restraints in our vehicles to keep our children safer in the event of an accident. Now you can have your restraints checked and fitted correctly at Temora's new Authorised Restraint Fitting Station.

Temora Shire Council staff have successfully

undergone training and are now offering the service on a fortnightly basis.

"We will hold the first service on Friday 6th September at the Hakea St Council Depot between 10am and 12pm", said Director of Engineering, Mr Bimal Shah.

"It's imperative that resi-

dents book ahead by contacting Council offices, but the service is free for residents of Temora Shire. A fee of \$20 will be charged for child restraint inspection or installation for those from outside of the Shire. There may also be an additional fee if parts are required".

**What:** Child restraint fitting and installation service  
**Where:** Council Depot, Hakea St – in the carpark  
**Dates:** Fortnightly beginning Friday September 6th, 2019  
**Time:** Between 10am and midday  
**Cost:** Free for Temora Shire residents, \$20 for non-residents (plus cost of any parts needed)  
**Bookings:** 6980 1100

## WRITING COMPETITION

AS part of Local Government Week celebrations, Temora Shire Council invites all residents to take part in a

writing competition. The competition is free and open to everyone. Entries may be typed or hand-written and there is no

fixed word limit. A small prize will be awarded to all entries and a Temora Gift Card awarded to the overall winner.

The competition has four topics:

- 1) If I became the Mayor of Temora Shire I would...
- 2) When I become a Temora Shire Councillor I will...
- 3) I like living in Temora Shire because...
- 4) The job at Temora Shire Council I would like to do is... because...

Submissions should include contact details such as name, age, address, phone number an email and be submitted to Temora Shire Council office by 4pm on Friday 27th September, 2019. For more information please contact Amanda Gay on 0428 029 184

## School Holiday Fun

THESE school holidays the Temora Youth Teams have got a massive schedule of fun and free activities for anyone aged between 10 and 25 years.

Back by popular demand are the Minute to Win it championships where participants partake in some crazy, hilarious and hugely enjoyable games to see who will be named the Minute to Win it Champion.

Also back by request is the popular vocal workshop with Kim Sandgren and Kim Nicholson from local band

1979.

Participants will enjoy putting together the melody and harmonies of a popular song and performing the song as a group at the end of the workshop.

Council's Road Safety Officer, Mr Glenn Sheehan will be providing age-specific workshops on road safety. Even our younger community members could get a lot out of these workshops.

A baking workshop with a difference is likely to draw a keen crowd. This workshop

will see participants baking individual cakes that will be fitted together to make a larger, collaborative cake.

Also on the food front – a Thermomix workshop will surely be popular with participants making healthy vegetable and turkey meatballs with sauce. All activities will take place at Platform Y from 11am – 1pm.

Bookings are essential to avoid disappointment.

The school holiday schedule is:

Date	Program
Monday 30th September	Road Safety Workshop with Road Safety Officer, Glenn Sheehan
Thursday 3rd October	Thermomix Workshop with Emily Watts – Healthy vegetable and turkey meatballs with sauce
Friday 4th October	Gaming – Minute to Win It – Games include Card Ninja, Rapid Fire, Suck it Up and Stack it Up.
Wednesday 9th October	Vocal Workshop with Kim Sandgren and Kim Nicholson
Thursday 10th October	Collaborative Cake Workshop with Tania Jones.
Friday 11th October	Gaming – Minute to Win It – Games include Card Ninja, Rapid Fire, Suck it Up and Stack it Up.

The regular Youth Teams will begin meeting again during term 4 at Platform Y from Wednesday 16th October.

Day	Time	Team
Wednesday	4pm – 5.30pm	Culture & Performing Arts & Hospitality
Thursday	4pm – 5.30pm	Hospitality
Friday	4.30pm – 6pm	Gaming

To book for a school holiday workshop, or for more information on regular Youth Team meetings, contact Youth Officer Mel Carter on 0418 357 230.

## Cash Splash

RESIDENTS are being asked to help Council make the decision on how to spend the \$778,000 allocated to projects within the Shire as part of Round 3 of the Stronger Country Communities Fund.

There are several projects that Council has identified as possible candidates but not all projects are able to be funded.

The list of possible projects aligns with Council's Community Strategic Plan which was developed in consultation with residents.

Each project must have a minimum cost of \$50,000 and cannot include maintenance or construction of local roads and other core service infrastructure such as drainage and sewer works.

Two other projects, an upgrade of Temora's swimming pool and construction of the new Ambulance Museum at the Bundawarra Centre, are not being considered as both of these projects have budget estimates exceeding the total funds allocated to Temora Shire.

The projects Council has identified for consideration are:

Location	Project name
Temora Recreation Centre	Install a waterslide
Gloucester Park	Upgrade playground with new equipment and paths
Ariah Park Recreation Ground	Upgrade skate park
Nixon Park	Upgrade amenities block
Coolamon St, Ariah Park	Upgrade centre island
Temora Recreation Centre	Upgrade toddler's pool
Ariah Park Recreation Ground	Upgrade kiosk
Hoskins St, Temora	Upgrade northern and southern ends of main st
Lake Centenary	Seal path and pedestrian footbridge
Arts Precinct, Aurora St	Redevelop old Scout Hall
Nixon Park	Upgrade lights on netball courts
Nixon Park	Resurface netball courts
Bundawarra Centre	New tractor shed

Residents can vote for their preferred projects via a short survey.

Applications for the fund close at the end of September so resi-

dents are being urged to complete the survey by the 9th of September to allow council staff time to analyse the information to complete the funding submis-

sion.

The survey asks residents to number the projects in priority order or to suggest another project not currently listed.

Find the survey on our Facebook page @TemoraShire, on our website [www.temora.nsw.gov.au/about-council/news/what-s-on-exhibition.aspx](http://www.temora.nsw.gov.au/about-council/news/what-s-on-exhibition.aspx) or fill out a hard copy version at Council offices before September 9th, 2019

## OFF LEASH AREA

NOW that we can expect some warmer weather, it is the ideal time to take your pooch out to the purpose built off leash dog park located off Research Station Road at Lake Centenary.

The fully fenced area is equipped with obstacles and activities designed to keep

your dog active and agile.

Obstacles include a tyre jump, pipe hurdles, over and under pipes and an in and out challenge.

A holding pen allows you to ensure your dog is secured before you continue your walk along the scenic lake loop path.

So get the kids on their bikes, the dogs on the leads and make the most of the spring weather.

Enjoy the scenic walk out to the lake, the lake loop walk and then let your pup off the leash to expend all their energy at the dog park.

## SOCIAL SUPPORT Aged Care Support

As we age some things in life get a little more challenging.

Everyone needs the opportunity to socialise and connect with their community.

Pinnacle's Social Support Service provides care and companionship with our friendly volunteers who can provide weekly or fortnightly services, or whatever suits you.

Whether it's a regular visit to the shops, a social visit over a cuppa, a walk around the garden or a regular social chat on the phone, our cares will be there for you or your loved ones.

We can support you or a loved one to join in social activities and stay connected with your community.

For information on how we can help support you contact Melinda Holmes 69771 326 Or contact My Aged Care on 1800 200 422
