

RECOGNITION FOR EXCELLENCE

THE Temora Youth Team won a special award at the NSW Local Government Excellence Award Ceremony in Sydney on June 1st, 2023. Accepted by General Manager, Gary Lavelle, the Judges Recognition Award recognised a nomination that demonstrated an outstanding achievement.

The Temora Youth Team, a concept of Temora Shire Council, has distinguished itself for its initiative and collaboration in providing a

community service that will provide young people with opportunities for years to come, delivered on a limited budget. Temora's youth, aged from 10 – 24 years, are offered a range of interesting activities including those related to hospitality, performing arts, gaming, leadership, environmental, entrepreneurialism, and the outdoors. These weekly workshops are complemented with a wide range of holiday workshops and programs.

Youth Team programs aim to keep young people engaged, providing learning experiences whilst promoting self-confidence, inclusivity, and leadership skills.

Mayor Rick Firman offered Council's congratulations on their well-earned recognition, saying "The Temora Youth Team is a tremendous example of our young people engaging and contributing to our community, and I pass on our warm congratulations to our

Youth Development Officer, Mrs Sheree Elwin, our Youth Officers, mentors and our young people on this special award".

The Youth Team meets weekly under the guidance of Council Youth Officers and local mentors at Platform Y, a dedicated space at the renovated Temora Railway Station. Those interested in participating can contact 0418 357 230 or via the Facebook page www.facebook.com/temorayouth.

Recycling In Temora

A dedicated Lions Club Member hard at work.

Rubbish collection areas are clearly labelled.

RECYCLING has become an essential aspect of modern everyday life in households, and in Temora it is no less important – only we do it a little differently. Kerbside recycling collection can be very convenient, but with that convenience comes extra cost to the rate payer. We have numerous recycling schemes within our community, and unlike many recycling schemes elsewhere, ours do not cost ratepayers exorbitant extra fees – in fact, all our recycling is offered for FREE.

Being responsible for your own recyclables, or joining in with friends and neighbours, keeps our community recyclers busy pumping funds back into our town.

For example, Temora Lions Club, a local charity run entirely by volunteers, offers an incredible recycling scheme that can be utilised by all residents of Temora Shire. Not only do the Lions Club handle most of our recycling needs completely free, saving the community millions of dollars in kerbside collection fees, proceeds made from recycling are injected back into the community. Each year up to \$25,000 is given back to the community with financial assistance often going directly to local families in critical need.
