

Council has received funding towards the redevelopment of the Temora Railway Precinct.

A GRAND VISION

RESIDENTS are invited to contribute towards the design of a master plan for the Temora Railway Precinct. Community and stakeholder consultation will commence in June to devise a grand vision for the circa 15ha site that runs between Polaris and Britannia Streets, and Camp and Copeland Streets.

The project will leverage the future private

development of the Temora Flour Mill to be a boutique hotel and microbrewery. It is envisaged that the master plan will support the future development of a range of infrastructure and landscaping, including walking and cycling paths, public art, heritage interpretation, picnic, recreation and event spaces, green areas, as well as additional caravan parking.

The project is funded by an allocation of \$42,424.80 under the Department of Regional NSW Business Case and Strategy Development Fund. It aims to create a recreation space for residents whilst boosting tourism growth through the Canola Trail.

The project team includes Jenny Rands Associates, who will prepare the business case, Somewhere Landscape

Architects, who will create the design concepts, David Scobie, Council's Heritage Advisor, and two representatives from Transport for NSW.

To register your interest in taking part in a consultation session, please email Craig Sinclair, Economic Development Manager at csinclair@temora.nsw.gov.au or phone 6980 1124.

Inspiring Speaker to Address Young Leaders

TEMORA Shire residents are invited to join the participants of 2023 TAKE THE LEAD Temora Youth Leadership Program (TYLP) for a graduation dinner featuring inspirational guest speaker Kate McBride.

Kate McBride (pictured above) is a fifth-generation grazier from Western NSW and was recently featured on Australian Story. She was born and raised on a 500,000-acre sheep property located on the Lower Darling-Barka River. In 2017 at just 19, Ms McBride was elected by fellow landholders onto the Western Local Land Services board, becoming the youngest board member in the organisation's history. After watching the collapse of the Darling-Barka system firsthand, Kate became a healthy river ambassador working towards better water management in the Murray-Darling. In the process, Kate became a voice for regional Australia and has become an advocate for other issues facing country folk such as mental health, lack of services and the challenges of climate change.

Ms McBride has completed a Bachelor of Commerce at Adelaide University and has begun a Masters in Global Food and Ag Business. In 2021, she joined the independent thinktank The Australia Institute researching

water and rural issues and has recently become their Parliamentary Liaison Officer working in Canberra.

"Whilst our event is a celebration of the young leaders completing the TAKE THE LEAD program, many members of the community will be interested in hearing Kate's story," said Ms Elwin. "We would be thrilled to have them join us for this special evening."

The 2023 TAKE THE LEAD program has seen three young people participate in workshops and activities, enabling them to develop their leadership skills. They have worked with a diverse range of local and guest mentors over the past three months. The first round of the program was held in 2022 and was so well received that it was offered again in 2023. The TYLP is funded by the NSW Department of Communities and Justice and is an initiative of the Temora Youth program through Temora Shire Council.

"The graduation dinner is a fully catered event," said Ms Elwin. "It's a formal celebration, to recognise the commitment and hard work our young leaders have put into the program."

"All members of the community are encouraged to join us to show support for young leaders in our community," she said.

The Graduation Dinner will take place on Friday 9th June 2023 at Temora Town Hall at 6.30pm for 7pm. Tickets are \$50 and available at Council office or eventbrite.com.au/e/temora-youth-take-the-lead-graduation-dinner-tickets-630564474317

JUNE LONG WEEKEND CLOSURES

The Shire Office, Service NSW Office, Works Depot, Teal Street Landfill Site, Pinnacle Services and the Temora Library will all be closed for the long weekend Monday 12th June, 2023.

Volunteer Match Making Service

A MATCH making service for organisations seeking volunteers and individuals looking to volunteer will soon be available in the Riverina.

According to the census, Temora Shire has one of the highest rates of volunteerism in Australia. However, local feedback indicates that organisations are increasingly struggling to find volunteers, whilst people of all ages in our community are willing and ready to volunteer but are unsure what volunteering opportunities are available and where to find them.

As of the 1st June, organisations will have the ability to list volunteering opportunities on the Jobs Riverina Murray website. This will provide volunteer-seekers an

easy way to search, apply, and get alerts for new volunteer roles as they become available.

The Jobs Riverina Murray website is currently a one-stop-shop for connecting employers and jobseekers. This free, searchable tool also enables jobseekers to set up email alerts when new jobs are listed that match their criteria.

To list or search for a volunteer or job opportunity visit: www.jobsriverinamurray.com.au

If you would like assistance using the Jobs Riverina Murray website or have questions about volunteering, please contact Shontayne Ward, Economic & Community Development Officer on 0492 203 457 or at sward@temora.nsw.gov.au

Volunteer Organisation Register

DID You know that Council has a register for organisations that engage volunteers?

By registering, you will receive alerts about grants that are available for Volunteer Organisations and information about free volunteering workshops and events that can assist to grow your organisation. We also gather

information about the types of volunteering opportunities available in your organisation, and the skills required for particular roles.

To register, email Shontayne Ward, Economic & Community Development Officer at sward@temora.nsw.gov.au

A MESSAGE FROM THE MAYOR

Thank you!

To every single volunteer who gives their time freely to help others, I salute you and say a warm "thankyou".

Our cherished volunteers are the glue that keeps our much loved Temora Shire community, and our nation, bonded together.

Staying Informed

HAVE you noticed that there's never been more ways to communicate and yet it's harder to know what's going on?

We've created a list of tools to help you find information on what's happening and what's available in Temora Shire.

Pinnacle Community Bus to Wagga

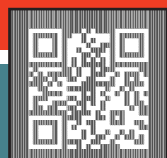

PINNACLE Community Services Temora invites you to join us on our weekly bus trip to Wagga! The bus operates every Wednesday except for public holidays.

The bus departs from the Temora Pinnacle Office at 9:00am and arrives in Wagga approximately at 10:30am. Passengers are expected to meet back at the Kmart carpark at 2:45pm to arrive back in Temora

around 4:00pm. The cost of the bus is \$20.00 per person, this cost may vary for home care package clients.

A carer will accompany the bus to Wagga should you require extra assistance with your appointments, shopping ect.

Tell your friends and family and contact the Temora Pinnacle Community Services Office on 69771326 to enquire about your eligibility for this service.

Gratitude Empathy Mindfulness

Temora Arts Centre Presents Discovery Day

THE Temora Arts Centre is excited to announce its upcoming event, Discovery Day, scheduled for June 11th, starting at 10am and running until 2pm. This vibrant celebration of creativity promises to be a day filled with engaging demonstrations, community connections, and artistic inspiration.

"Discovery Day at the Temora Arts Centre is a remarkable opportunity for all members of the community to come together, explore our vibrant arts centre, and connect with the incredible artists we have here," said Jeremy Kruckel, Arts Centre Manager. "We are immensely proud of the diverse range of talents and techniques on display, and how our community members have come together to coordinate a great experience for people of all ages. We invite everyone to join us, engage with the artists, and experience firsthand the artistic wonders that our

community has to offer. This is your arts centre and we hope to see the community actively participate and create lasting connections on this special day."

From pottery and printmaking to an array of captivating art forms, visitors will witness live demonstrations by skilled artists, gaining insight into the creative process, and discovering the beauty of different artistic techniques.

Adding to the joyful ambiance of the event, the Hospitality Team from Platform Y will be present to serve light refreshments. Attendees can relax and indulge in delectable treats and beverages whilst considering which creative workshops to register for. Platform Y's gaming group will also be setting up a dedicated chill-out space where attendees can enjoy some video gaming fun.

Make sure to mark your calendars for Discovery Day on June 11th, 10-2pm, at the Temora Arts Centre.

Should I get Solar?

ARE thinking about getting solar and would like to know:

- What size system?
- How many panels?
- How long will it take to pay for itself?

SunSPOT is a free tool available to Temora Shire residents, that instantly reveals a suitably sized system for household or business needs. It uses aerial mapping and your existing usage data to calculate a system cost, repayment period, and the value of annual savings.

The tool can also show how many solar panels will fit on your roof and assess the feasibility of various sized batteries.

Developed by the Australian PV Institute and UNSW with the backing of the Federal and NSW governments, SunSPOT is a not-for-profit with the goal of increasing the ability for people to make informed and impartial decisions.

SunSPOT will be hosting a webinar from 7pm on 13th June that provides an introduction to rooftop solar and how to use the SunSPOT website. To register, visit <https://www.eventbrite.com.au/e/629016905497>

For more information on SunSPOT, visit: www.sunspot.org.au.

Hoskins St Business Occupancy

ARE you currently in business? Have you owned a business along Hoskins Street, or know someone who has? We're keen to hear from you.

Following the success of the last event, the next catch-up and chat will be at The Fed and Bed, 10am Wednesday 7th June, 2023. We thank those who attended to share some fascinating memories last month. All and more are welcome.

We aim to build a timeline

of business premises occupancy dating back as possible to retain this history for generations to come.

Please get in touch if you can provide any of the following information: business name, proprietors, property address, year commence, year sold/ceased trading, relocation address.

Respond via Facebook, at the Council office or email shurst@temora.nsw.gov.au
