

**Council is to receive funding to determine Bridge capacity for heavy vehicles.**

## KITES BRIDGE AND DUCK CREEK BRIDGE

TEMORA Shire Council will receive crucial funding from the National Heavy Vehicle Regulator (NHVR) to determine the heavy vehicle capability of Kite's Bridge and Duck Creek Bridge.

The Kite's Bridge and Duck Creek Bridge assessments will be completed in the next three (3) months as part of the NHVR's Strategic

Local Government Asset Assessment Project (SLGAAP), supported by the Australian Government.

Council is increasingly seeing larger heavy vehicle combinations and associated loads looking to access the road network. These assessments will deliver a consistent approach and robust advice to provide Council with the

information required to make quality heavy vehicle access decisions.

NHVR CEO, Sal Petrocchio, said Temora Shire Council is one of 33 councils that will receive funding as part of the latest phase of the Australian Government's \$20 million investment in the program.

"Through SLGAAP, Temora Shire Council will work with an

engineering consultant who will undertake an assessment and provide a comprehensive report detailing what heavy vehicle combinations can safely travel over the structure," Mr Petrocchio said.

Mr Petrocchio said the work being done through SLGAAP will be accessed and stored on the NHVR Portal.

"Road managers can

use the NHVR Portal to record and view bridge and culvert assessment information such as reports and photos, to make informed decisions around heavy vehicle access in their local area.

"Ultimately the work under SLGAAP is all about enhancing road safety and increasing productivity across our heavy vehicle industry."

## Main Street History Cuppa

DO you remember the changes in businesses along Hoskins Street over the years? If so, the Temora Heritage Committee would love for you to join them for a cuppa and a chat from 10am, Wednesday 3rd May, 2023 at Diamonds and Dust.

Feel free to bring a friend or family member to share their knowledge and help us to retain this valuable information for generations to come.

## Support for Multicultural Business Owners

CULTURALLY diverse residents who are interested in starting a business or growing an existing business are invited to participate in an information session that outlines the services provided by Multicultural Business Connect Program.

Two business advisors, Anas Khawam and Eva Alhajjar, will be present on the day to offer culturally sensitive business support to all individuals of diverse backgrounds.

Both advisors have vast experience supporting business owners and entrepreneurs from a

diverse range of cultural backgrounds and within multicultural communities. They can provide guidance on a range of topics, from how to start a small business, to cash-flow management and digital marketing.

The program is an excellent resource for individuals who need guidance on starting or growing a small business in NSW. It is funded by the NSW Government, free to attend, and offers personalised advice in a range of languages through accredited professionals.

**What:** Support for Multicultural Business Owners  
**Where:** Temora Council Chambers  
**When:** Monday 1st April  
**Time:** 10am-12.15pm  
**Cost:** FREE  
**Contact:** Shontayne Ward, 0492 203 457  
sward@temora.nsw.gov.au

**Pictured: Anas & Eva will be available to answer all your questions at the Business Owners Support workshop.**

## Council welcomes two new staff

**Jeremy Kruckel - Temora Arts Centre Manager**

COUNCIL is excited to announce new manager for the Temora Arts Centre, Jeremy Kruckel. With passion for arts and community

engagement, Jeremy is eager to hear from the public about their ideas for the facility.

Jeremy brings with him over ten years of arts industry related experience including at the Wagga Wagga Art Gallery and TED Fine Art Australia.

With extensive experience and knowledge in business administration, arts facility management, and events coordination, Jeremy will be a great asset to Council and the wider arts community.

Share your thoughts on future events, programs, and workshops by emailing Jeremy at

artscentre@temora.nsw.gov.au. Your input will help shape the centre's future offerings and foster an even more vibrant arts scene in Temora.

**Sigrid Carr Youth Program Coordinator**

THE Youth Program Coordinator position was recently accepted by Sigrid Carr who is returning home to Temora. Having grown up in Temora Sigrid is aware of the needs and

challenges of rural youth. She is keen to be involved in the development of our Shire's young people through organised programs, events, and workshops.

Sigrid herself was a member of Temora's original youth group – Temora's Youth Representing Others (TYRO), which taught her the value of providing support for young people and led her to several voluntary roles in community programs and events, such as the Australian Business and Community Network's SPARK program.

Apart from hands on experience with youth, Sigrid also has over 12 years working in administrative roles, including compliance and community services. She is keen to use all of her skills to provide our young people with a creative and engaging environment.

## Hoskins Street Road Upgrade

HAVE you noticed the declining condition of the Hoskins Street road surface?

Just like Temora Shire Council is responsible for maintaining local roads, Transport for NSW (TfNSW) is responsible for managing state highways, such as Burley Griffin Way and Goldfields Way.

This includes the centre nine metres of road pavement in urban sections of State roads through Hoskins Street, Victoria Street, Vesper Street and Junee Road.

Transport for NSW (TfNSW) is preparing to upgrade the centre nine meters of the Hoskins Street pavement in the 2023/24 financial year.

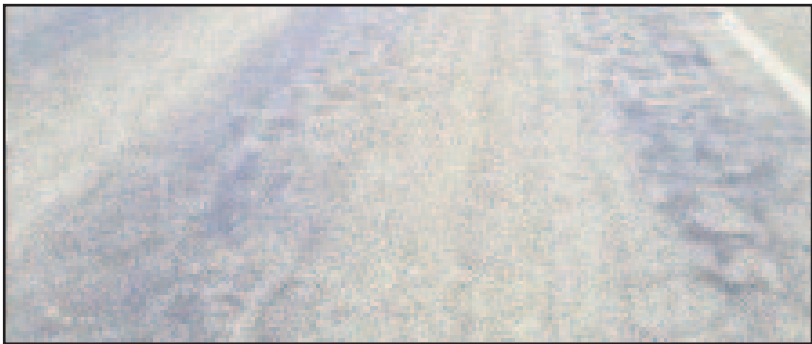

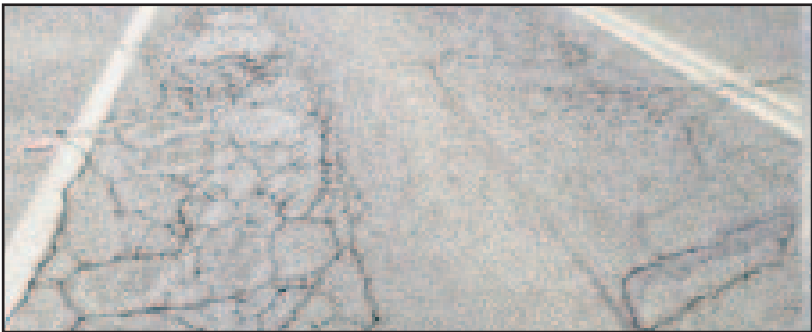

To date, they have completed geotechnical investigation and surveying. They are now in the design and project development

phases for works between the Britannia Street intersection the Kitchener Road intersection.

Works on this multi-million-dollar capital upgrade project are planned to commence in August 2023.

Whilst the works will vastly improve the road pavement compared to its current condition, there will be significant interruptions to vehicular and pedestrian movements during the construction phase.

A public forum will be held with stakeholders, including businesses in Hoskins Street, once the final project design is completed by TfNSW and provided to Council. In addition to TfNSW consultation and notifications, Council will keep residents and businesses informed about the project to help minimise the impacts.

Term 2 at Platform Y

AFTER a busy program in the school holidays, the Youth Team are ready to kick off another full term of regular activities and development programs in Term 2 and beyond.

After school weekly workshops for Leadership, Hospitality, Culture & Performing Arts, and Game will commence at Platform Y from Tuesday 2nd May. Monthly workshops for the Green Team and Young Entrepreneurs are also making a comeback. See the program below for details.

There are spaces available on all of these teams so please get in touch if you're interested in participating. Save the date for the TAKE THE LEAD Temora Youth Leadership Program Graduation Dinner. Following an intensive program, already underway, participants will present about their experience at an event to be held on Friday, 9th June.

The popular YOUTH Made Market program will be open to a new round of young makers, creators and business thinkers in August. This is an excellent opportunity for budding entrepreneurs to test a business idea whilst receiving expert guidance from local mentors. Stay tuned for details!

For more information about any of these programs contact Sigrid Carr, Youth Program Coordinator on scarr@temora.nsw.gov.au or phone 0418 357 230.

message or call 0418 357 230

Try Fishing Day at Lake Centenary

FISH for Life, an initiative of NSW DPI Fisheries, will be holding a Try Fishing Day on Saturday 6th May at Lake Centenary, Temora, from 9am through to midday.

This is a FREE event for all ages and abilities. Residents and visitors are encouraged to bring their whole family along to drop in a line and enjoy the experience of fishing on the banks of the lake.

Participants will learn the basics of fishing and will have the opportunity to talk to Education Officers and Fishcare Volunteers.

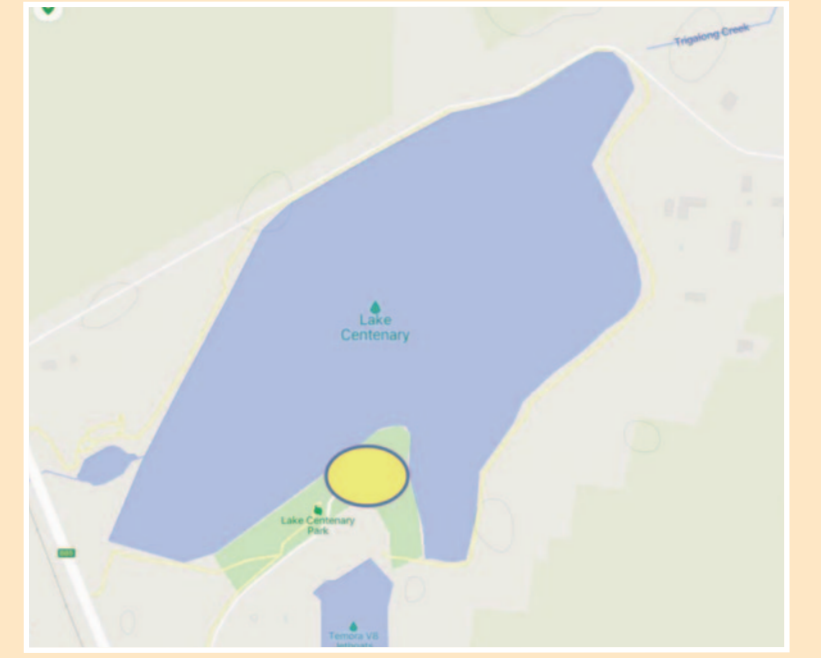

All equipment needed for the day will be provided, as well as the bait and some helpful advice.

Fish for Life promotes spending time in nature to explore, learn and have fun, whilst building a healthy fishing future for the next generation.

Lake Centenary is home to a good selection of edible fish, including Murray Cod, Golden Perch, and Silver Perch, thanks to regular releases of fingerlings.

Fishing is permitted from boats and right around the lake's edge.

Fire pits and picnic tables are dotted around the Lake Loop walking track, making fishing accessible to everyone.
