### TWO WEEKS TO GO TO SHARE YOUR THOUGHTS

THE Temora Shire's Community Scorecard is in circulation for residents 14+ years old to have their say on Temora Shire services, facilities and programs; and how they can be improved.

"We're asking you to have your say, and to help us understand your top priorities. Your feedback will guide us on

where we need to improve and where we need to focus our efforts," said Council's General Manager Melissa Boxall.

The results will be analysed by independent research organisation, Catalyse, and will inform the update to the Community Strategic Plan (CSP) 2035, which

is a shared plan across the community. The CSP is then used to identify community priorities and to shape Council's future Delivery and Operational plans.

The scorecard will come to residents in many ways, such as Australia Post distribution direct to your mailbox, emails,

social media and QR codes across posters, flyers and stickers. Staff will also have a marquee at the 137th Temora Show this weekend, for anyone wanting to submit their form or complete it online.

"The scorecard closes Friday 11 October 2024. Make sure you have your say!" Ms Boxall stressed.

To complete your Community Scorecard, scan the QR code in the advert or visit [temora.nsw.gov.au](https://temora.nsw.gov.au), or visit Temora Shire Council, Temora Shire Library and Arah Park Post Office.

### Captured in time for future generations

IN January 2023, Catalyst Accountants and Financial Solutions owner, Greg Durham, embarked on a love project, to restore the corner of Loftus Street (between Little Baker Street) and around onto Hoskins Street.

Durham purchased the property in 2003, which now holds Catalyst Accountants, Sadie Michael Fashions, The Studio, and Temora Travel. Twenty years later, it was time to give the external façade a make-over, bringing to life the 1920s Art Deco style of yesteryear.

Katie Keith Designs (KKD) was employed to take on the challenge.

"One of the most noticeable changes is that of the blue tile which is a modern interpretation of a traditional glazed subway tile," said Katie Keith, owner of KKD.

This corner of Hoskins St lies within Temora's Heritage Precinct, meaning KKD worked closely with the Heritage Committee, whose aim is to protect and conserve areas and items of historic heritage value.

"Once we started to pull back the layers of past generations, we had many comments from the public about the exposed brick, in that it was 'bringing back memories.' Greg and I met again to discuss leaving a section of the bricks untiled, which we have done," Katie said.

"It is important that the communities voice was considered in the design, as we hope that it is here for many generations to enjoy," said Greg.

From the interior of Catalyst scattered with old pictures of our town, it is obvious Greg has a passion for heritage and preservation. This project was more than just the right tile, it looked at all elements of the building's exterior including the exterior colour scheme, the restoration of the existing leadlight windows, awnings, and parapet walls above. The inspiration for the overall scheme came from the colours used in the original leadlight windows.

"We wanted to rejuvenate the existing exterior to reflect the vibrant and modern

business's that call it home, whilst paying tribute, and being sympathetic to the buildings heritage and the main streets history," Katie explained.

"We'd like to acknowledge the skills of the local trades who contributed to what are commonly known as 'lost arts'. The reinstatement of the Monel windows and the reconstruction and reinstatement of the coloured glass and headlight windows which had lain concealed for decades have all been revelations," said Council's Heritage Advisor, David Scobie.

"We hope this project engenders greater interest and concern for conservation for other heritage items within the Council's area," said Council's Heritage Advisor, David Scobie.

Council's Local Heritage Assistance Fund distributes \$15,000 throughout the shire each year. If you are interested in finding out more, monthly bookings for the free advisory sessions with David can be made with Council on (02) 6980 1100.

#### Did you know?

Mrs Angove opened a hotel on this corner in 1880, as a Cobb & Co. terminus. Joseph Deitz rebuilt it as the Royal Exchange Hotel which burned down in the great fire of 1931.

THE Temora Shire Australia Day Committee have opened annual nominations for Temora Shire Citizen of the Year, Young Citizen of the Year and Event of the Year.

"We are seeking

nominations of hard-working groups and individuals that deserve to be acknowledged, in some way, by the Temora Shire," said Australia Day Committee Chairperson Beth Firman.

Awards will be presented at the Australia Day function in Gloucester Park, Temora on Sunday 26th January 2025, from 8:30am.

"Next year, all nominees will receive a special
