FOREWARD

Temora 2030 provides a vehicle for the Temora Shire community to express its long term aspirations. The aspirations cannot and will not be achieved without sufficient resources to carry them out. The Resourcing Strategy is the critical link in translating strategic objectives into actions.

The Resourcing Strategy outlines available resources in terms of time, money, assets and people required by and available to the Integrated Planning Process. Essentially, the Resourcing Strategy consists of three (3) components:

1. Asset Management Plans
2. Workforce Management Plan
3. Long Term Financial Plan

1. ASSET MANAGEMENT PLANS

The Asset Management Plan is a long term plan that outlines the asset activities for each service. The International Infrastructure Management Manual defines Asset Management Plan as “a written representation of the intended asset management programs for one or more infrastructure networks based on the controlling organisations understanding of customer requirements, existing and projected networks and asset condition and performance”

Due to the complexity of local government assets, Council has determined to develop a separate plan for each asset type. The 6 plans are as follows:

- Roads and Footpaths
- Sewerage Treatment and Effluent Reuse
- Aerodrome
- Buildings and Recreational Space
- Bridges and Stormwater
- Plant

For details on the individual plans, please refer to the comprehensive Asset Management Plans.

2. WORKFORCE MANAGEMENT PLAN

A key factor in the delivery of the community's strategic goals is the ensurance that the right people, with the right skills in the right job are available in the medium to long term. The Workforce Management Plan is the mechanism by which a strategic approach is taken to this important function. Issues that are encountered are identified and strategies developed to minimise the impact of these issues.

3. LONG TERM FINANCIAL PLAN

This section is the area where the long term community aspirations are tested against financial realities. The plan should answer the questions:

- Can we survive the pressures of the future?
- What are the opportunities for future income and economic growth?
- Can we afford what the community wants?
- How can we go about achieving these outcomes?

The plan is not intended to be a firm commitment to future expenditure. It is a valuable guide to future action. No organisation is an “island”. Temora Shire Council will be subject to many external factors in the next 10-20 years that will impact on our plans. These are outside the control of Council. This is why all plans are reviewed and reported on. The process is dynamic.

1. INTRODUCTION

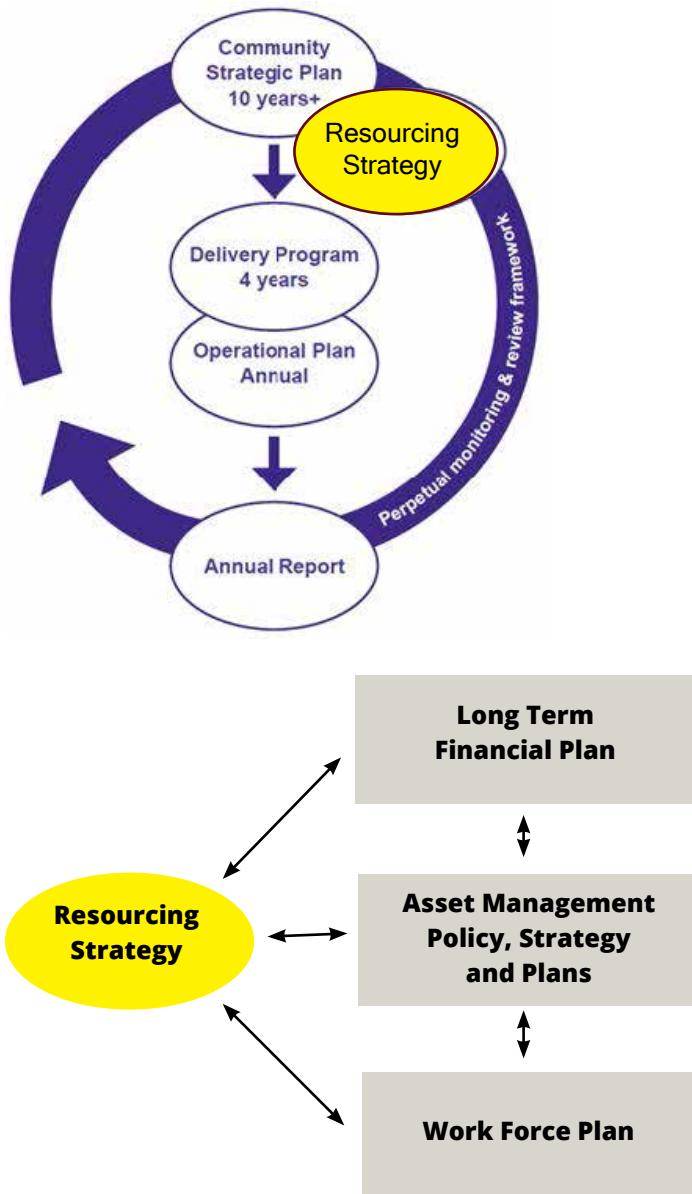

1.1. Background

This Asset Management Strategy outlines a structured set of actions aimed at enabling Council to improve its asset management practices, to achieve the objectives of Temora Tomorrow - Towards 2035, and to be compliant with regulatory requirements. It is to be read with the following associated planning documents:

- Temora Tomorrow - Towards 2035 – Articulates the long-term strategic direction of Council.
- Delivery Program – a summary of the principal activities that Council intends to undertake over the next four years.
- Operational Plan – Detailed action plan on projects and finances for each particular year. The works identified in Asset Management Plans form the basis on which future annual plans are prepared.
- Resourcing Strategy – outlines the available resources in terms of time, money, assets and people required by and available to the Integrated Planning process.
- Long-term Financial Plan – Outlines all aspects of the key financial strategic objectives and commitments.
- Contracts – The service levels, strategies and information requirements contained in the Asset Management Plan are translated into field staff work instructions, contract specifications and reporting requirements.

Key stakeholders in the preparation and implementation of the Asset Management Strategy are:

- Federal and State Governments and Agencies - Funding assistance and standards development.
- Elected members - Community representation and administration.
- Community - End-user involvement.
- Visitors - End-user involvement.
- Utilities / Developers - Providers of services and infrastructure facilities.
- Employees / Volunteers - Operational and administration providers.
- Contractors / Suppliers - Suppliers of goods and services.
- Insurers - Remedy providers.

1.2. Goals and Objectives of Asset Management

Council exists to provide services to its community. Many of these services are provided by infrastructure assets.

Council's goal in managing infrastructure assets is to meet the required levels of service in the most cost effective manner for current and future communities. The key elements of infrastructure asset management are:

- taking a lifecycle approach;
- developing cost-effective management strategies for the long term;
- providing defined levels of service and monitoring performance;
- understanding and meeting the demands of growth through demand management and infrastructure investment;
- managing risks associated with asset failures;
- sustainably using physical resources; and
- continuously improving asset management practices.

This Asset Management Strategy has been prepared under the direction of Council's vision, mission, goals and objectives.

Council's vision is:

Our community strives to reflect the qualities of its greatest asset – its people, each of whom we value as individuals.

With our rural heritage as our foundation, we embrace change and grasp every opportunity to enhance our environment, economy and lifestyle.

Council's mission is:

To achieve the best possible outcomes for our community by striving for excellence in all we do.

1.3. Key Principles

Whilst the responsible management of Council's infrastructure can be seen as a technical measure, based on a defined set of measures and requirements, it is clearly more than that and is an organizational wide responsibility. Strategic asset management is based on 5 key principles:

- Sound information and systems are needed to inform decision making;
- Comprehensive asset management planning is required to ensure decisions are based on an evaluation of alternatives that take into account life cycle costs, benefits and risks of assets;
- The Community will be informed and have an opportunity to have involvement in establishing level of service standards;
- Responsibility for asset management, including accountability and reporting requirements, is clearly established, communicated and implemented;
- An effective policy framework is established for the strategic management of assets.

2. LEGISLATIVE CONTROLS

In addition to using asset management as a tool to better manage the community's assets and to help provide better services to the community, there are legislative requirements that Council must comply with in relation to the management of its assets. These requirements are as follows:

- NSW OLG Integrated Planning and Reporting framework
- NSW and Federal Acts and Regulations
- Australian Standards and other Codes of Practice
- Accounting Standards

Further information on each of these requirements is detailed in each of the following sub-sections.

2.1. NSW OLG Integrated Planning and Reporting Framework

The Integrated Planning and Reporting Framework (IPRF) is the NSW Government's implementation of the Local Government and Planning Ministers' Council (LGPMC) endorsed Nationally Consistent Frameworks for Local Government Financial Sustainability.

Implementation of the IPRF has been mandated through the NSW Local Government Act and the associated IPRF Guidelines and Manual.

2.2. NSW and Federal Acts and Regulations

The NSW and Federal Acts and associated Regulations that may apply to Strategic Asset Management include:

- Local Government Act and Regulations,
- Roads Act,
- Environmental Planning and Assessment Act and Regulations,
- Work Health and Safety Act and Regulations 2011,
- The Protection of the Environment Act and Regulations, and
- Anti-Discrimination Act.
- Disability Discrimination Act

2.3. Australian Standards and other Codes of Practice

Many Australian Standards and codes apply to asset management including the Building Code of Australia and AS/NZ ISO 31000 Risk Management – Principles and Guidelines.

An International Asset Management Standard was released March 2014 and is known as the ISO 55000 series. Future assessment of Council's Asset Management practices will be reviewed against this standard with a revised improvement program being developed should it be required.

2.4. Accounting Standards

The Australian Accounting Standards that apply to Local Government include:

- AASB 116 Property, Plant & Equipment – prescribes requirements for recognition of property, plant and equipment assets, the determination of their carrying amounts and the depreciation charges and impairment losses to be recognised in relation to them;
- AASB 13 Fair Value Measurement – sets out methods for determining Fair Value;
- AASB 136 Impairment of Assets – aims to ensure that assets are carried at amounts that are not in excess of their recoverable amounts;
- AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors – prescribes the criteria for selecting and changing accounting policies, together with the accounting treatment and disclosure of changes in accounting policies, changes in accounting estimates and correction of errors.

3. ASSET MANAGEMENT MATURITY ASSESSMENT

To ascertain the maturity level of Council an assessment was undertaken in September 2016 to measure current practices against the National Assessment Framework (NAF). As asset management within the organisation grows further assessments will be undertaken for comparison.

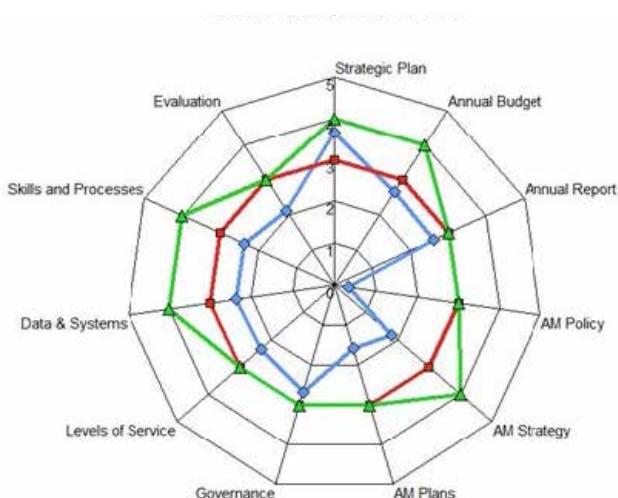

It is proposed that an assessment be undertaken annually.

For each of the 11 practice areas the following information has been provided:

- The current assessed maturity level;
- Key observations on the current maturity level;
- Implications of the assessed current maturity level;
- An assessed risk score, based on a risk framework; and
- Recommendations on actions required to be taken to reach a minimum or core level of maturity.

Table 1 - Summary of Asset Management Maturity Scores (NAF)

| Practice Area | Current Score | Core Target | Advanced Target |
|------------------------------|---------------|-------------|-----------------|
| Strategic Long Term Planning | 3.66 | 3 | 4 |
| Annual Budgets | 2.66 | 3 | 4 |
| Annual Reporting | 2.60 | 3 | 3 |
| Asset Management Policy | 0.33 | 3 | 3 |
| Asset Management Strategy | 1.83 | 3 | 4 |
| Asset Management Plans | 1.58 | 3 | 3 |
| Governance and Maintenance | 2.66 | 3 | 3 |
| Levels of Service | 2.33 | 3 | 3 |
| Data and Systems | 2.37 | 3 | 4 |
| Skills and Processes | 2.36 | 3 | 4 |
| Monitoring and Reporting | 2.11 | 3 | 3 |

**Figure 1 - September 2016
Asset Management Maturity
Score Spider**

To assist in determining priorities for development of asset management within the organisation a further assessment was undertaken in 2015 for the Office of Local Government (OLG). The assessment tool used was the 'NSW Local Government Asset Management Audit Preparedness Assessment 2015'. This assessment is in response to the OLG looking at asset management, in particular, responses and information provided in the Report on Infrastructure Assets (formerly Special Schedule 7 - SS7) of Council's Annual Financial Statements.

Table 2 - Summary of Asset Management Maturity Scores (OLG)

| Practice Area | Current Score | Core Target | Advanced Target |
|---|---------------|-------------|-----------------|
| Asset Management Plans | 0.77 | 3 | 3 |
| Condition Data | 1.17 | 3 | 4 |
| Risk Management | 1.84 | 3 | 4 |
| Systems Integration | 1.47 | 3 | 3 |
| Operations/Maintenance Management | 1.78 | 3 | 4 |
| Valuation, Depreciation & Age/Life Data | 1.96 | 3 | 3 |
| Asset Register | 1.95 | 3 | 4 |
| Critical Assets | 1.59 | 3 | 4 |
| Lifecycle Cost Data | 2.17 | 3 | 3 |
| Attributes and Location | 2.67 | 3 | 4 |
| Asset Classification/ Heirarchy | 2.59 | 3 | 4 |

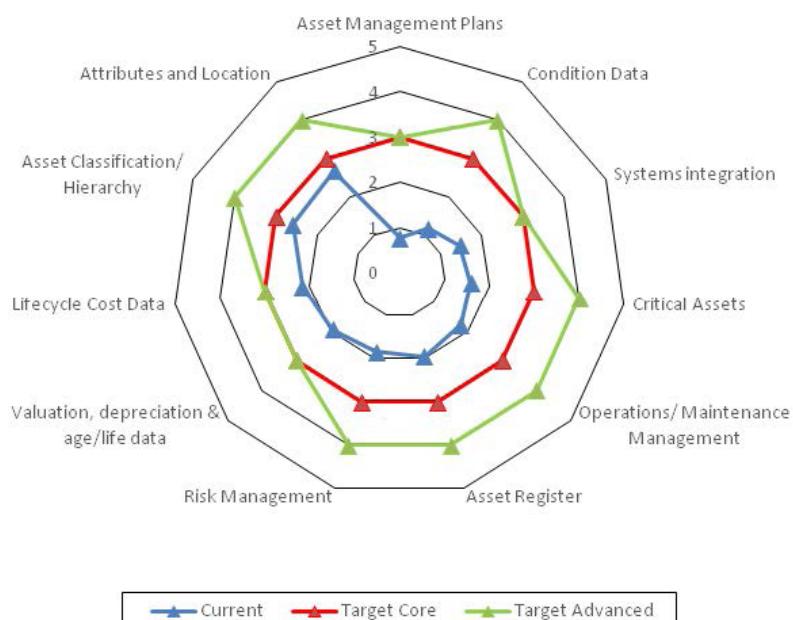

Figure 2 - OLG Asset Management Maturity Score Spider

4. PRIORITY TASKS AND ACTIONS RESULTING FROM MATURITY ASSESSMENTS

When developing the Asset Management priorities for an organisation a logical sequence of key tasks and actions is needed. This sequence is developed based upon both the maturity assessments undertaken and the existing systems and processes within the organisation. The following are the key priority tasks for Temora Shire Council:

- writing of this Asset Management Strategy,
- writing an Asset Management Policy,
- reviewing the existing asset register, including asset condition data to ensure it is complete and current,
- writing of asset management plans for all major asset groups,
- monitoring and reporting on assets and improvements to asset management within the organisation,
- writing operations and maintenance management plans,
- ensuring all systems are integrated.

The following sections elaborate on each of these priority tasks and actions.

4.1 Asset Management Strategy

The Asset Management Strategy is this document and is a key document in defining how the asset portfolio meets the needs of the community and defines the future vision of asset management practices within Council.

This Asset Management Strategy is linked to Council's Asset Management Policy and integrated into Council's strategic long term planning documentation including Temora Tomorrow - Towards 2035, 4-year Delivery Plan, Annual Operational Plan, Long Term Financial Plan and Resourcing Strategy.

4.2 Asset Management Policy

An Asset Management Policy defines Council's vision and service delivery objectives for Asset Management. It has a direct linkage to Council's strategic longer term plans and Long Term Financial Plan. It is informed by community consultation and local government financial reporting frameworks.

The Asset Management Policy defines asset management roles, responsibilities and reporting framework.

4.3 Asset Register and Condition Data

An asset register is an integral tool in managing Council's assets. It holds asset attribute data including size, age, value, condition and remaining life. The data is relied upon in producing Asset Management Plans and as such needs to be comprehensive, complete and accurate. For Temora Shire Council the task at hand is to ensure that the asset register has the most up-to-date information as the Asset Management Plans will be used to inform future works and associated budgets.

A critical component of an asset register is condition data. Council needs to move to regular condition assessment of its assets to:

- assist in the revaluation of each asset group,
- assist in the development of works programs for asset groups,
- determine the deterioration or improvement in network condition and the adequacy of funding levels to sustain each asset group to provide the agreed levels of service,
- allow review of the Asset Management Plan and the agreed levels of service.

4.4 Asset Management Plans

Council shall develop formal Asset Management Plans for each of its major infrastructure groups.

Asset Management Plans shall:

- provide actions and costs to provide a defined level of service in the most cost effective manner,
- address life cycle costs of assets,
- include forward works programs identifying budgets for operations and maintenance, asset renewals, upgraded assets, new assets and depreciation,
- include asset rationalisation and disposal programs,
- progressively improve Council's capacity to manage its assets. This will include appropriate capacity building within the organisation to improve the level of knowledge required to effectively manage the community's assets.

4.5 Monitoring and Reporting

Monitoring and reporting covers three main areas:

- annual financial reporting,
- reporting on the condition of assets Report on Infrastructure Assets (formerly Special Schedule 7)
- reporting on the status of asset management improvements.

Annual financial reporting is carried out by Council's Finance Team and financial data is used to inform future iterations of Asset Management Plans. Financial data and reporting of ratios is also now part of 'Fit for Future' annual reporting.

The Office of Local Government is proposing changes to the Report on Infrastructure Assets. Processes and procedures need to be put in place for future reporting, particularly on items including the 'cost to bring assets to a satisfactory condition when measured against a level of service.' Section 5 dealt with maturity assessments of asset management practices. It is proposed to undertake Asset Management Practice assessments annually and report the results accordingly to show organisational improvement.

4.6 Operations/ Maintenance Management

To ensure an asset reaches the full potential of its life it will require systematic maintenance.

Maintenance becomes most efficient when it is proactively programmed as opposed to reactive maintenance. Operations and maintenance management is about planning for proactive maintenance programs.

To ensure Council moves towards proactive maintenance practices it needs to develop processes and procedures. This involves:

- operations and maintenance requirements are specified against asset performance and service level expectations, appropriate data collection, validation, auditing and management processes,
- maintenance management supported by appropriate processes and systems for maintenance planning,
- maintenance specifications,
- ensuring the costs associated with maintenance activities are kept separate from asset renewal costs

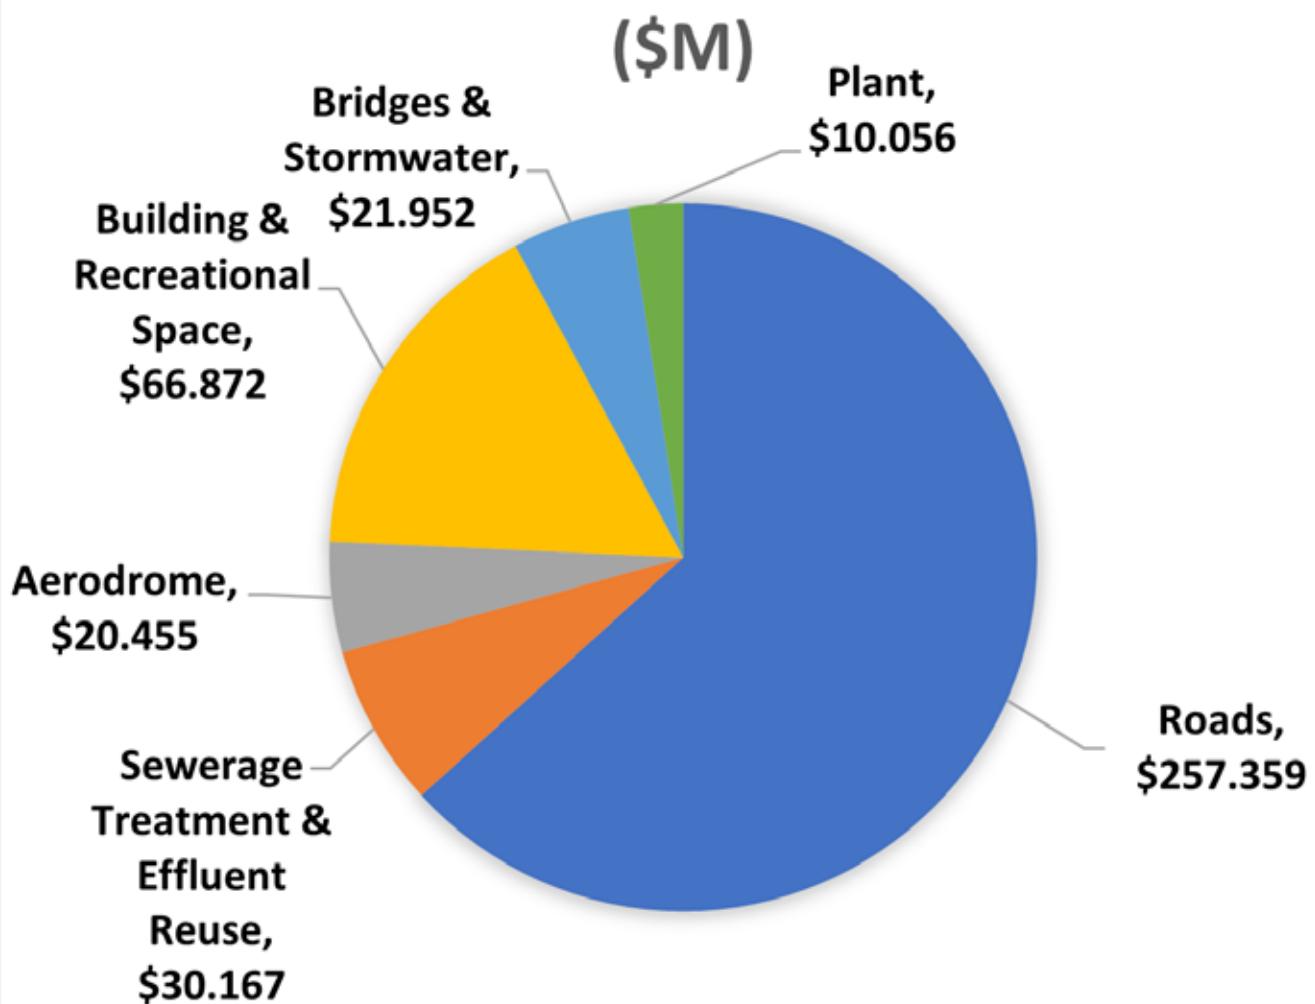

4.7 Systems Integration

Systems integration is having an Asset Management system integrated into the organisational business structures and processes. Asset registers need to be compatible with Council's financial systems. It is having asset registers combined into a single asset database and a spatial mapping system implemented and accessible to all users.

5. Temora Shire Council's Assets

| Asset Category | Current Replacement Cost (\$M) | Annual Depreciation (\$M) | Asset Type | Unit | Quantity |
|---------------------------------------|--------------------------------|---------------------------|---------------------------------------|------|----------|
| Roads | \$257.359 | \$3.251 | Regional Roads | km | 92.8 |
| | | | Local Roads | km | 1237.2 |
| | | | Footpaths | km | 20.4 |
| | | | Kerb and Gutter | km | 87 |
| Sewerage Treatment and Effluent Reuse | \$30.167 | \$0.199 | Gravity Sewer Mains | km | 53.29 |
| | | | Rising Sewer Mains | km | 3.36 |
| | | | Sewer Pump Stations | No. | 5 |
| | | | Sewer Property Connections | No. | 2029 |
| | | | Sewer Manholes | No. | 514 |
| | | | Sewerage Treatment Works | No. | 1 |
| | | | Effluent Storage Dams | No. | 5 |
| | | | Effluent Pumping Stations | No. | 5 |
| | | | Effluent Delivery Lines | km | 12.4 |
| | | | Telemetry System | No. | 1 |
| | | | Weather Stations | No. | 2 |
| Aerodrome | \$20.455 | \$0.119 | Runways | No. | 3 |
| | | | Taxiways | No. | 8 |
| | | | GA Apron | km | 1 |
| | | | Open Unlined Drain | No. | 0.9 |
| | | | Piped Stormwater Drain | No. | 1 |
| | | | Perimeter Fencing | No. | 10 |
| Buildings and Recreational Space | \$66.872 | \$1.434 | Parks and Gardens | No. | 20 |
| | | | Sporting Fields | No. | 10 |
| | | | Public Buildings | No. | 18 |
| | | | Operational Land | No. | 5 |
| | | | Stormwater Pipes | No. | 668 |
| | | | Box Culverts | No. | 65 |
| | | | Open Channel Drain | km | 2 |
| | | | Causeways | No. | 144 |
| | | | Gross Pollutant Traps | No. | 1 |
| | | | Siltation Dams | No. | 2 |
| Bridges and Stormwater | \$21.952 | \$0.196 | Bridges | No. | 6 |
| Plant | \$10.056 | \$0.700 | Cars | No. | 6 |
| | | | Light Utilities | No. | 17 |
| | | | Small Trucks | No. | 9 |
| | | | 12 Tonne Tippers 7 Trailers | No. | 10 |
| | | | Graders | No. | 3 |
| | | | Tractors | No. | 3/3 |
| | | | Water Carts | No. | 5/3 |
| | | | Miscellaneous Equipment e.g Chainsaws | No. | 19 |

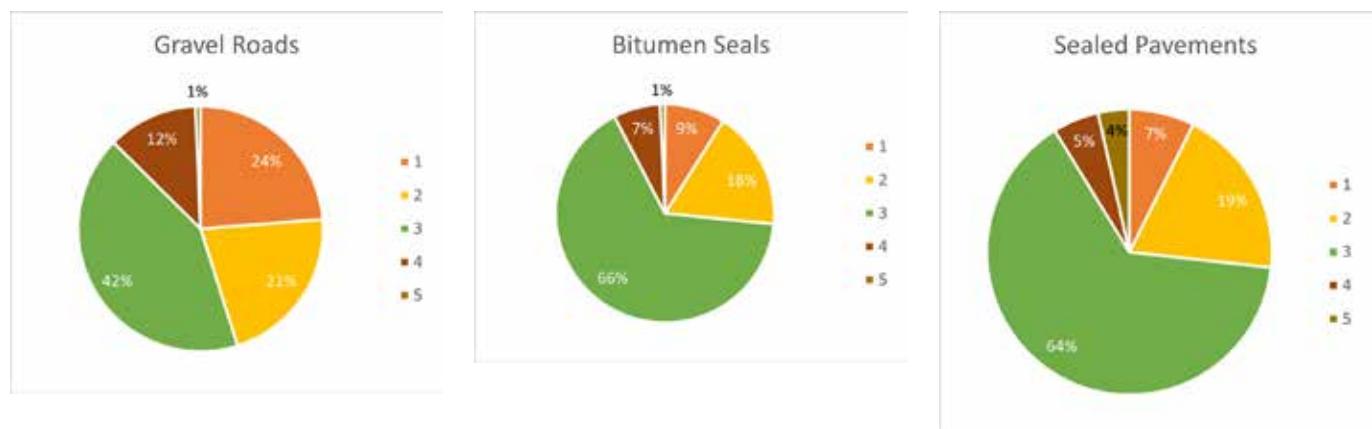

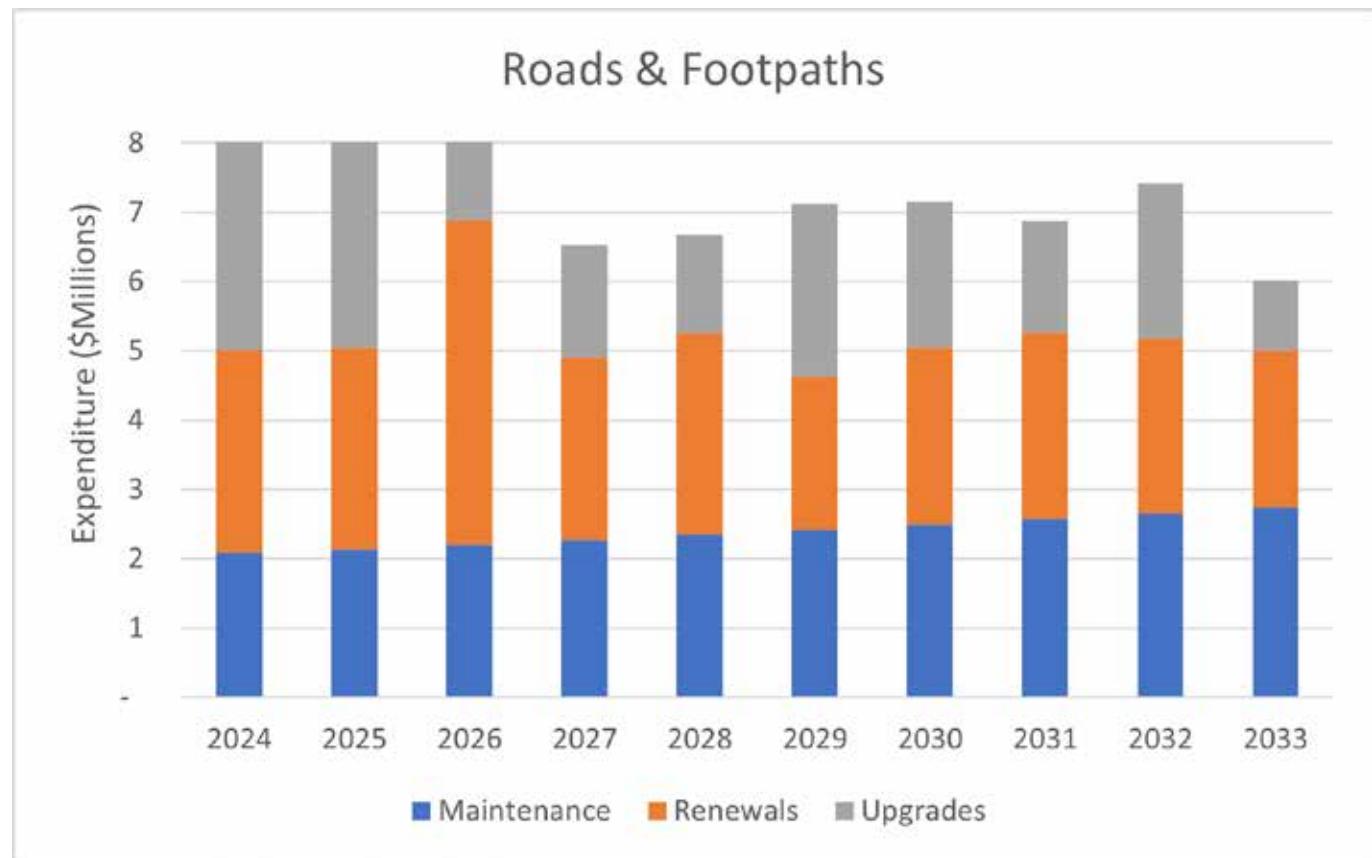

CURRENT REPLACEMENT COST

6. State of the Assets

Roads and Footpaths

Operational Plan Goal – To provide transport infrastructure that meets community expectation in terms of need, safety, amenity and standard

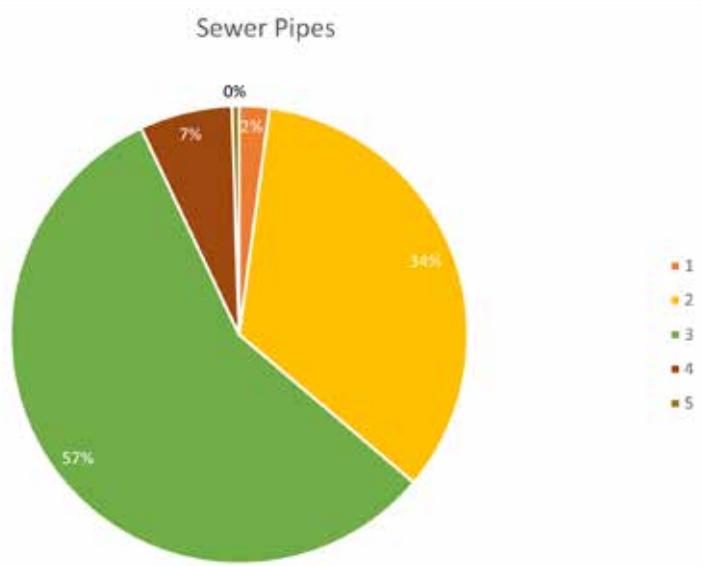

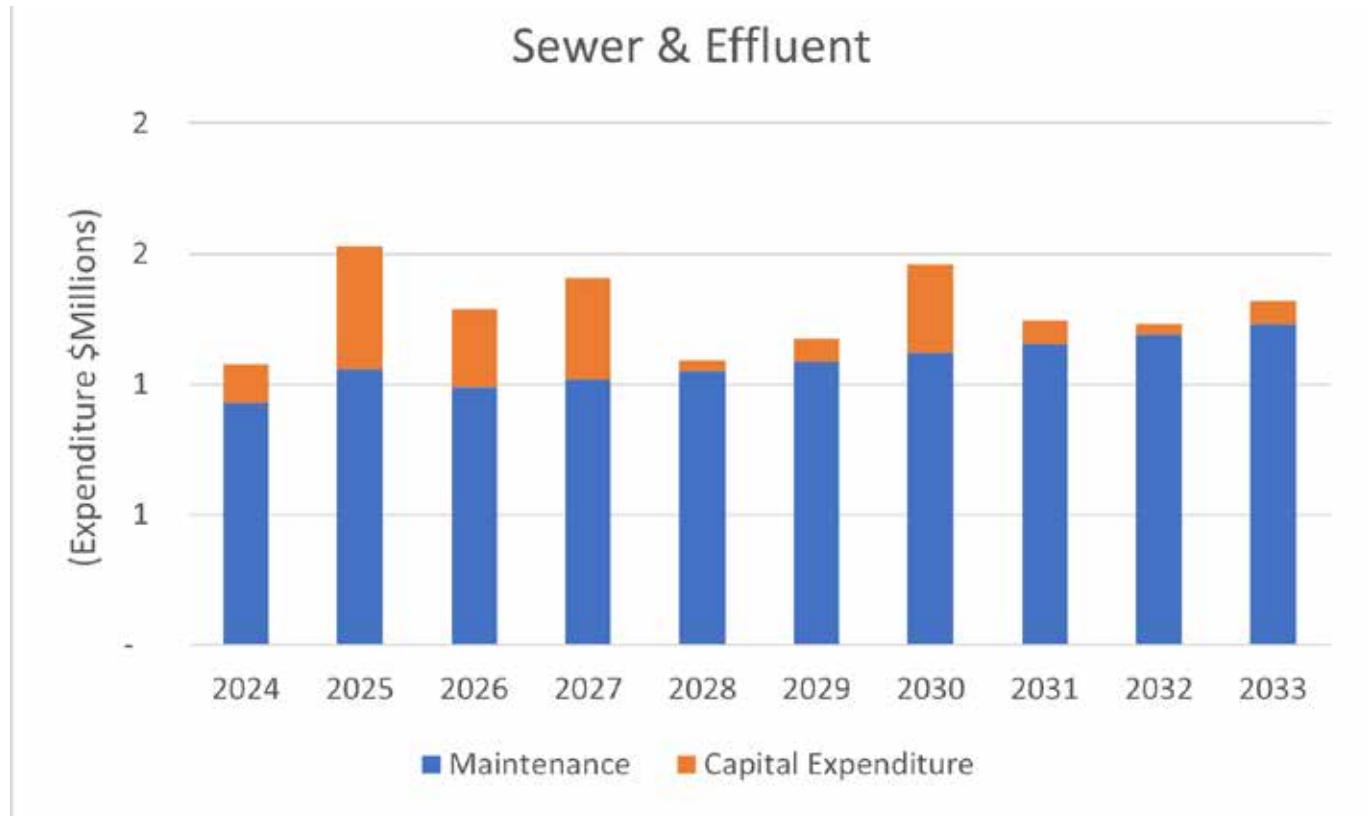

Financial Reporting Ratios

- Asset Consumption Rate - 66.27%
- Asset Renewal Rate - 62.60%
- Asset Upgrade/Expansion Rate - 0.74%

Sewerage Treatment and Effluent Reuse

Operational Plan Goal – To maintain the treatment works and gravity mains to ensure compliance with legislative requirements and improve the quality of effluent.

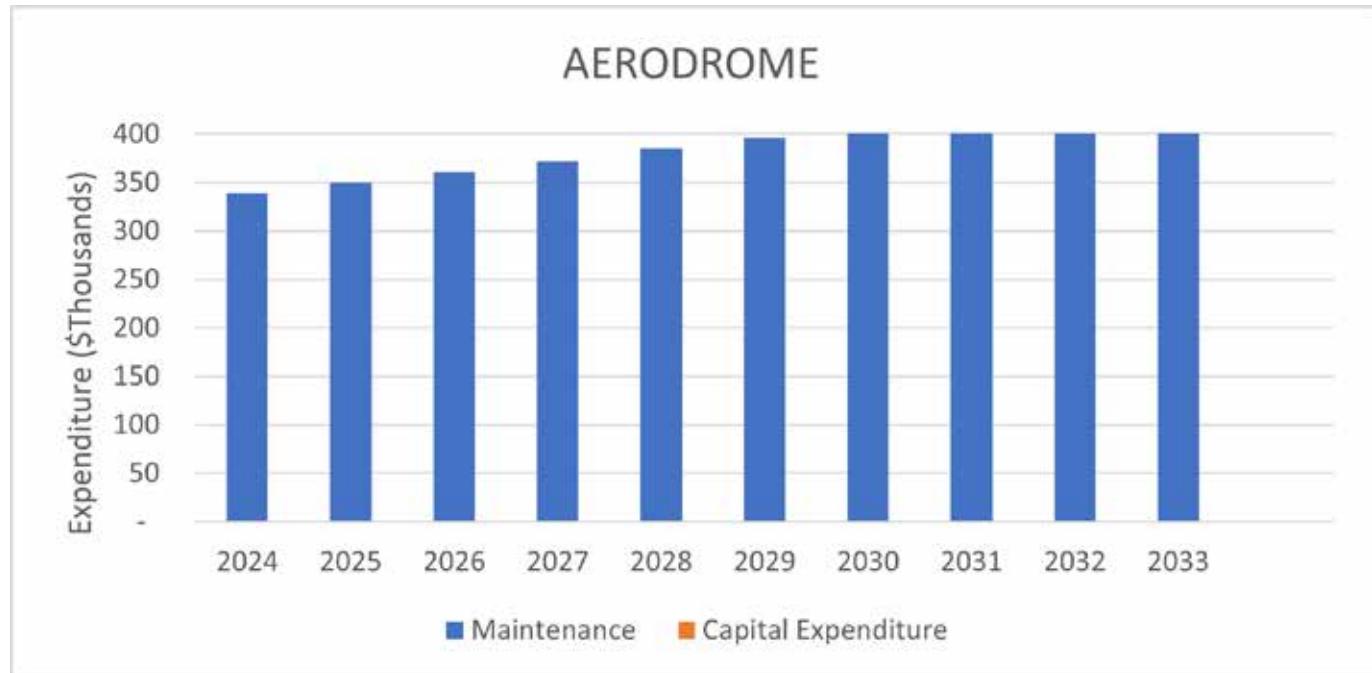

Financial Reporting Ratios

- Asset Consumption Rate – 63.75%
- Asset Renewal Rate – 11.06%
- Asset Upgrade/Expansion rate – 0.00%*

Note: Asset upgrade for effluent reuse only. Sewer system to be determined.

Aerodrome

Operational Plan Goal – To develop and market the aerodrome as a premier tourist attraction and the first rate facility for recreational aviation enthusiasts, plus promote both the commercial and residential aerodrome development in order to attract business and residents to Temora.

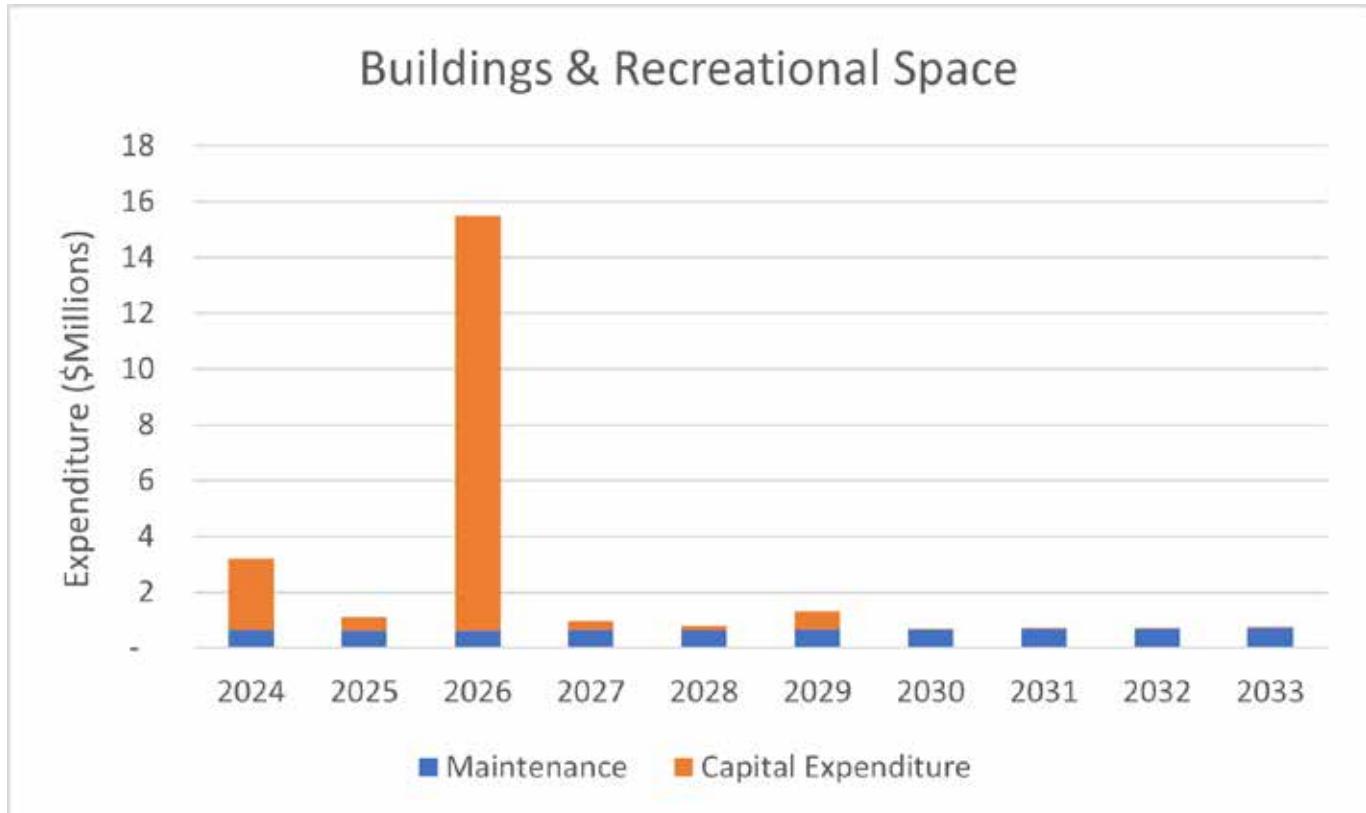

Condition data yet to be determined.

Financial Reporting Ratios

- Asset Consumption Rate – 86.77%
- Asset Renewal Rate – 125.21%
- Asset Upgrade/Expansion rate – 0%

Buildings and Recreational Space

Operational Plan Goals – To provide council properties that are well maintained, planned and meet or exceed the expectations of our community and visitors. To provide, maintain and improve the sporting fields and recreational facilities which meet the needs of the community and are safe, enjoyable and attractive.

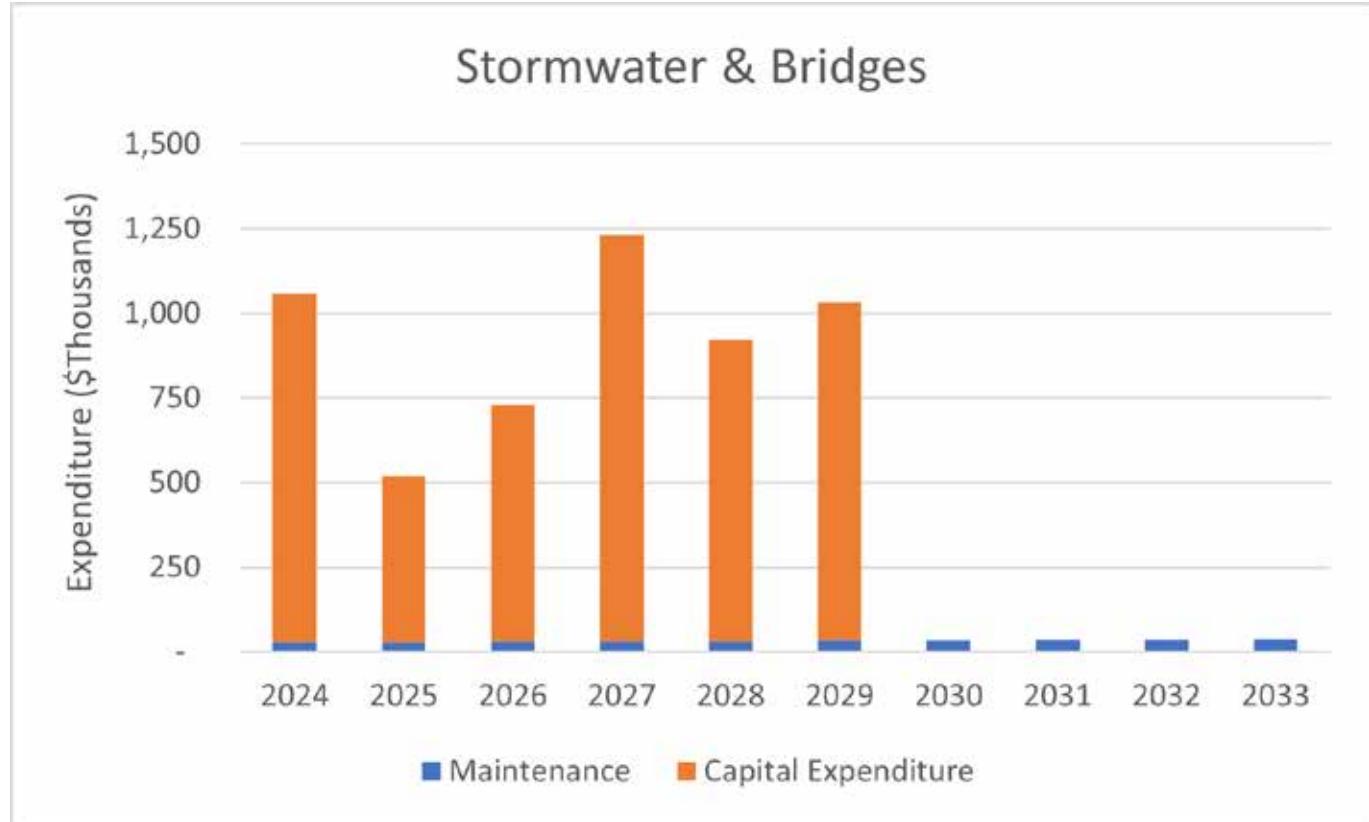

Financial Reporting Ratios

- Asset Consumption Rate – 54.07%
- Asset Renewal Rate – 62.55%
- Asset Upgrade/Expansion rate – 0.66%

Stormwater and Bridges

Operational Plan Goals – To provide stormwater and bridge infrastructure that meets the communities expectations in terms of need, safety, amenity and standard.

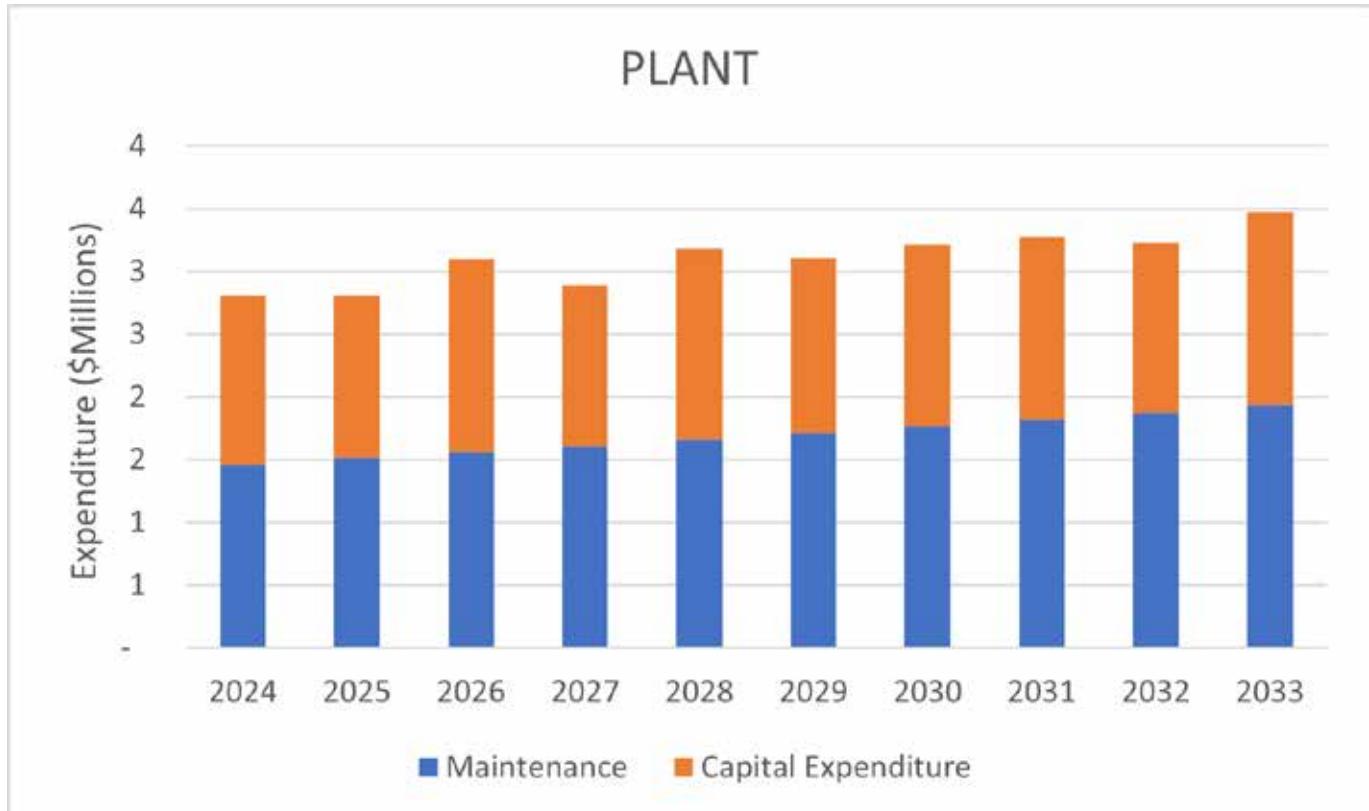

Financial Reporting Ratios

- Asset Consumption Rate – 67.34%
- Asset Renewal Rate – 133.23%
- Asset Upgrade/Expansion rate – 0.0%

Plant

Operational Plan Goals – To provide and maintain a modern plant and equipment fleet that meets its operational requirements with high utilisation in a cost effective manner.

Financial Reporting Ratios

- Asset Consumption Rate – 46.70%
- Asset Renewal Rate – 132.71%
- Asset Upgrade/Expansion rate – 0.00%

WORKFORCE PLAN

EXECUTIVE SUMMARY

The New South Wales State Government introduced an Integrated Planning and Reporting Framework for Local Government that includes a requirement that local councils develop and adopt a Workforce Management Plan in keeping with the framework shown below. The Integrated Planning and Reporting Framework requires all NSW Councils to develop long term Community Strategic Plans and four year Delivery Programs. This Workforce Plan forms part of the Resourcing Strategy and outlines how Temora Shire Council will implement the priorities and strategies within its Delivery Program, in line with Council's budget.

Councils are required to undertake workforce planning to support the achievement of the Delivery Program. The Workforce Management Strategy is a four-year plan, addressing the human resources required to achieve the activities identified in the Delivery Program.

What is Workforce Planning?

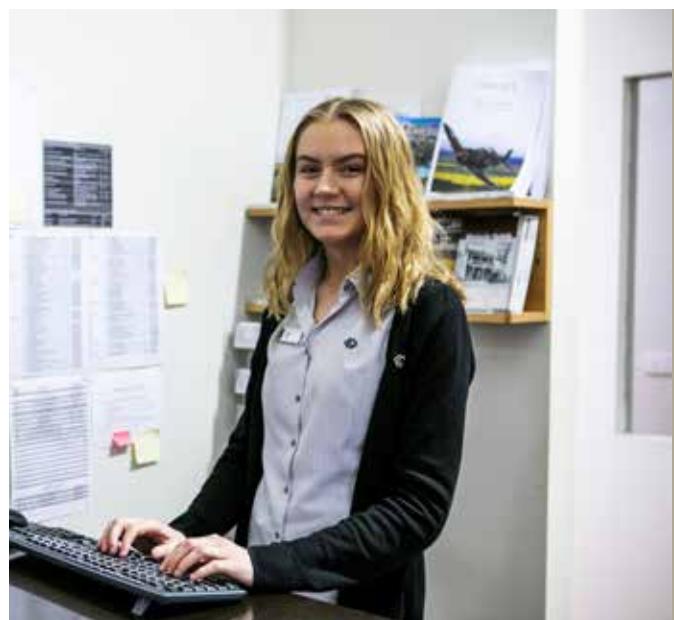

"Workforce planning is an integrated and systematic process of shaping the workforce to ensure it is capable of delivering current organisational objectives and future requirements", Australian National Audit Office 2004.

Why do we need a Workforce Plan?

- To identify current and predicted workforce issues to enable us to set out how we are going to address the predicted workforce issues in order to achieve the Council's Delivery Program.
- To assist with shaping our workforce to ensure it is capable of delivering current organisational objectives and future requirements in alignment with our Community Strategic Plan.
- To identify strategies or activities in the Workforce Plan that may have an impact on Council's Long Term Financial Plan.

What are the benefits of Workforce Planning?

- It strengthens our capacity to deliver strategic and operational plans.
- It enables a better understanding of our workforce profile which improves current and future capability and performance.
- It enables us to better respond to planned and unplanned change.
- It enables us to consolidate career paths and set clear strategies for developing our people.
- It creates the "right mix" - right skills, right time and right place - which in turn will create better efficiency, effectiveness and productivity.

TEMORA SHIRE COUNCIL

INTRODUCTION

The NSW Government's Integrated Planning and Reporting (IPR) Framework recognises that council plans, policies and strategies are connected and should not operate in isolation.

Accordingly, all councils in NSW are operating within the IPR framework which allows various plans and strategies to integrate and for councils to plan holistically for the future.

The Local Government Act 1993 requires councils to develop a Resourcing Strategy that assists in achieving the objectives of Temora Tomorrow - Towards 2035, the Temora Shire Council Community Strategic Plan. This Resourcing Strategy is made up of the Workforce Management Strategy, the Asset Management Strategy and the Long Term Financial Plan, which together

provide the resources necessary to achieve the Delivery Program.

The Workforce Management Strategy is a minimum four-year plan, identifying the key people/workforce challenges, issues, approaches and opportunities for Temora Shire Council in ensuring we can deliver the activities outlined in the Delivery Program and ultimately the objectives outlined in Temora Tomorrow - Towards 2035.

Figure 1 and Figure 2 illustrate how Workforce Planning combines with Long Term Financial Planning and Asset Management to support Council's Resourcing Strategy that in turn details how Council will resource the strategies that it is responsible for within the Community Strategic Plan, Delivery Program and Operational Plan.

Figure 1: Resourcing Strategy

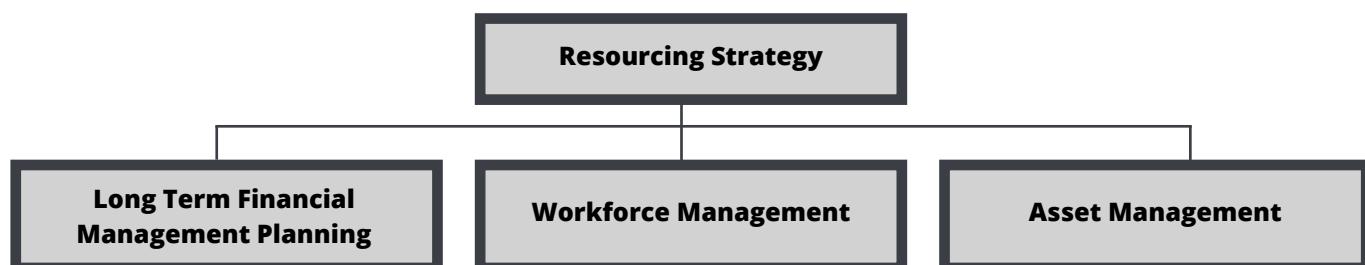

Figure 2: Integrated Planning and Reporting

Temora Shire Council is a significant employer within the Local Government Area (LGA), employing 109 equivalent fulltime employees, and representing more than 5% of the employment within the LGA. Council has a strong relationship with its workforce – long term employees, a small workforce number and tight knit community all support the connected, professional and personal approach to management.

Aim

A strong, diverse, committed and motivated workforce is at the core of any successful business.

Getting the right people into the right jobs is paramount and requires a commitment to attract, develop, retain and recognise talented and motivated employees who are aligned with our Vision and Values.

Temora Shire Council is a multi-faceted organisation, accordingly, we require a diverse workforce that is capable of delivering positive outcomes for the organisation and to help us grow the community. We are however faced with many challenges, including a significant proportion of our existing workforce nearing retirement and recruiting the next generation of skilled specialist staff.

We need to ensure our staff are ‘fit for the future’ so that we can deliver our community’s priorities. We need to involve our staff and support them in learning new ways of working.

This Workforce Management Plan aims to support Temora Shire Council in achieving the skilled, motivated, flexible and diverse workforce it needs, to deliver value for money services that make a difference to our local community, while at the same time maintaining our position as an employer of choice.

OUR DIRECTION AND VALUES

Our Vision

Our community strives to reflect the qualities of its greatest asset – its people, each of whom we value as individuals

With our rural heritage as our foundation, we embrace change and grasp every opportunity to enhance our environment, economy and lifestyle.

Our Mission

To achieve the best possible outcomes for our community by striving for excellence in all we do.

Our Core Values

We will make the best decisions we can, through:

- Leadership and Respect – we will act decisively with knowledge and courage in the best interest of all our community
- Integrity and Transparency – we will act honestly and openly in all our dealings with a view to making ethical and equitable decisions

We will always act with the community as our primary consideration, through:

- Community Focus – we will engage with our community to provide services that respond to community need
- Future Custodianship – we will always act with consideration of the impact of our actions on future generations

We will value the views and input of others, through:

- Teamwork and Cooperation – we will work together with open communication to achieve a common goal by sharing knowledge and supporting each other
- Effective Partnerships – we will treat everyone with respect by being inclusive, non-judgemental and valuing diversity

We will maximise our opportunities, through:

- Innovation – we will encourage creative thinking and innovation based on detailed knowledge and accept that bold actions carry a degree of risk
- Continuous Improvement – we will always strive to achieve our goals more efficiently through improvements in process or new technology

WORKFORCE PROFILE TEMORA SHIRE COUNCIL LGA

Temora Shire covers an area of 2,802km², and is bordered to the west by the local government areas of Bland, to the north east by Hilltops, to the east by Cootamundra-Gundagai and to the south by Coolamon, Junee and Wagga Wagga.

The shire includes the townships of Temora and Ariah Park as well as a number of smaller rural communities including Springdale and Reefton. The shire is part of the state electorate of Cootamundra and the Federal electorate of Riverina. At the time of preparing this report the most recent statistics available were from 2021. The Shire population, according to the Australian Bureau of Statistics (ABS), was 6,034 persons.

The Shire has an ageing population, with 27% of the population 65 + years old in 2021, which is above the State average.

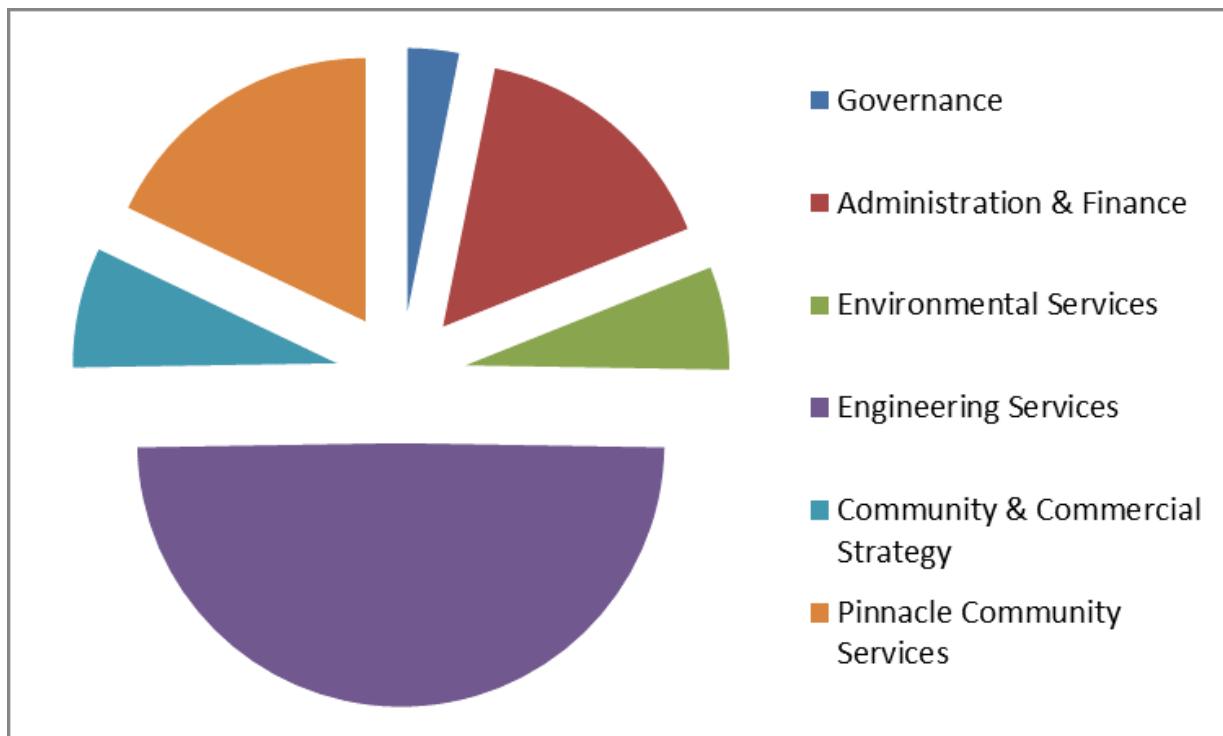

The skill shortages as a result of a smaller population mean that employers may be unable to source suitable employees from within the Shire and also have difficulties attracting and retaining suitable employees from outside the Shire.

UNDERSTANDING THE WORKFORCE AT TEMORA SHIRE COUNCIL

Temora Shire Council is considered a small rural Council, employing some 200 (136 full time equivalent) staff across a diverse range of functional areas.

Workforce Distribution by Department

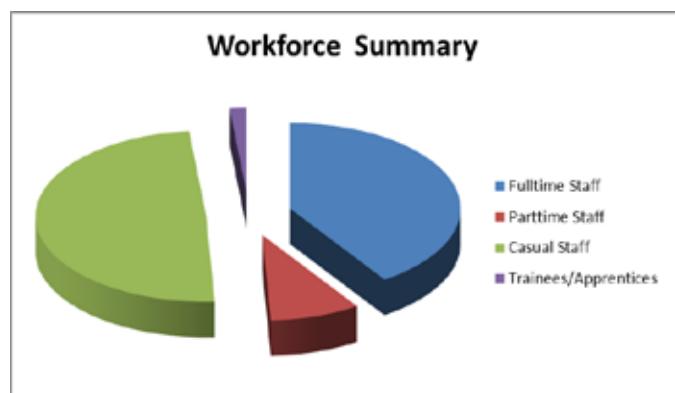

Employment Status

Our workforce consists of permanent, permanent part time and casual staff; this combination contributes to not only commitment and loyalty but allows flexibility in responding to the needs of our community.

Staffing levels at May 2023 were as follows:

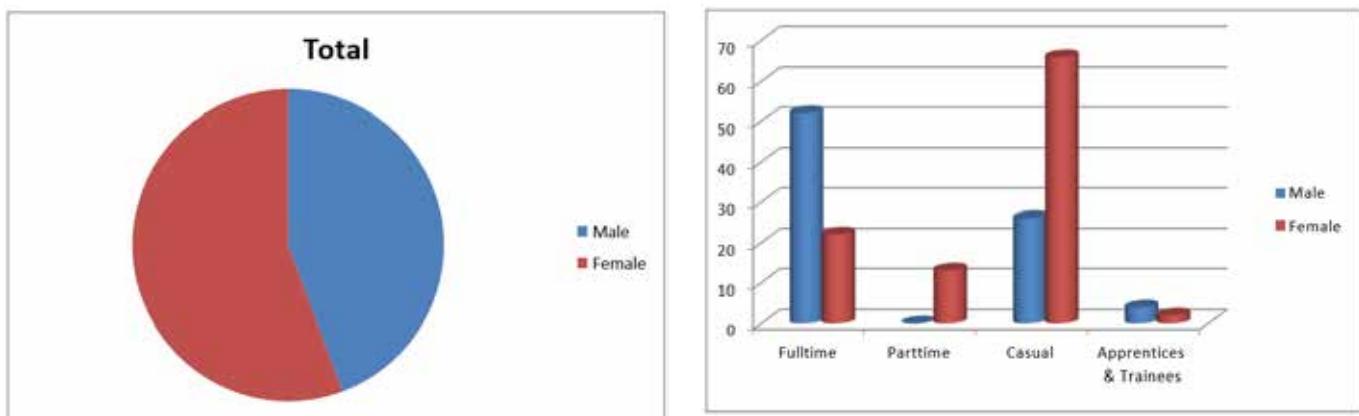

| | |
|---------------------------------|------------|
| Number of Full Time Staff | 80 |
| Number of Part Time Staff | 16 |
| Number of Casual Staff | 98 |
| Number of Trainees/ Apprentices | 6 |
| Total Number of Staff | 200 |

As indicated above, 48% of Temora Shire Council's workforce is employed on a permanent basis, with 8% employed part time and 49% employed as casual staff.

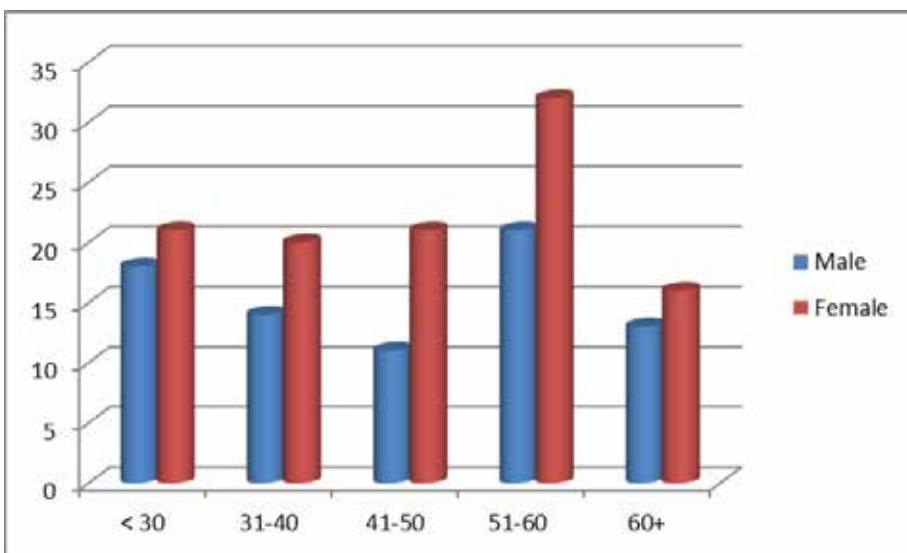

Gender

Of the 200 staff working for Temora Shire Council 41% are male and 59% are female. This inequity is due to the casual staff at Pinnacle Community Services being predominantly female.

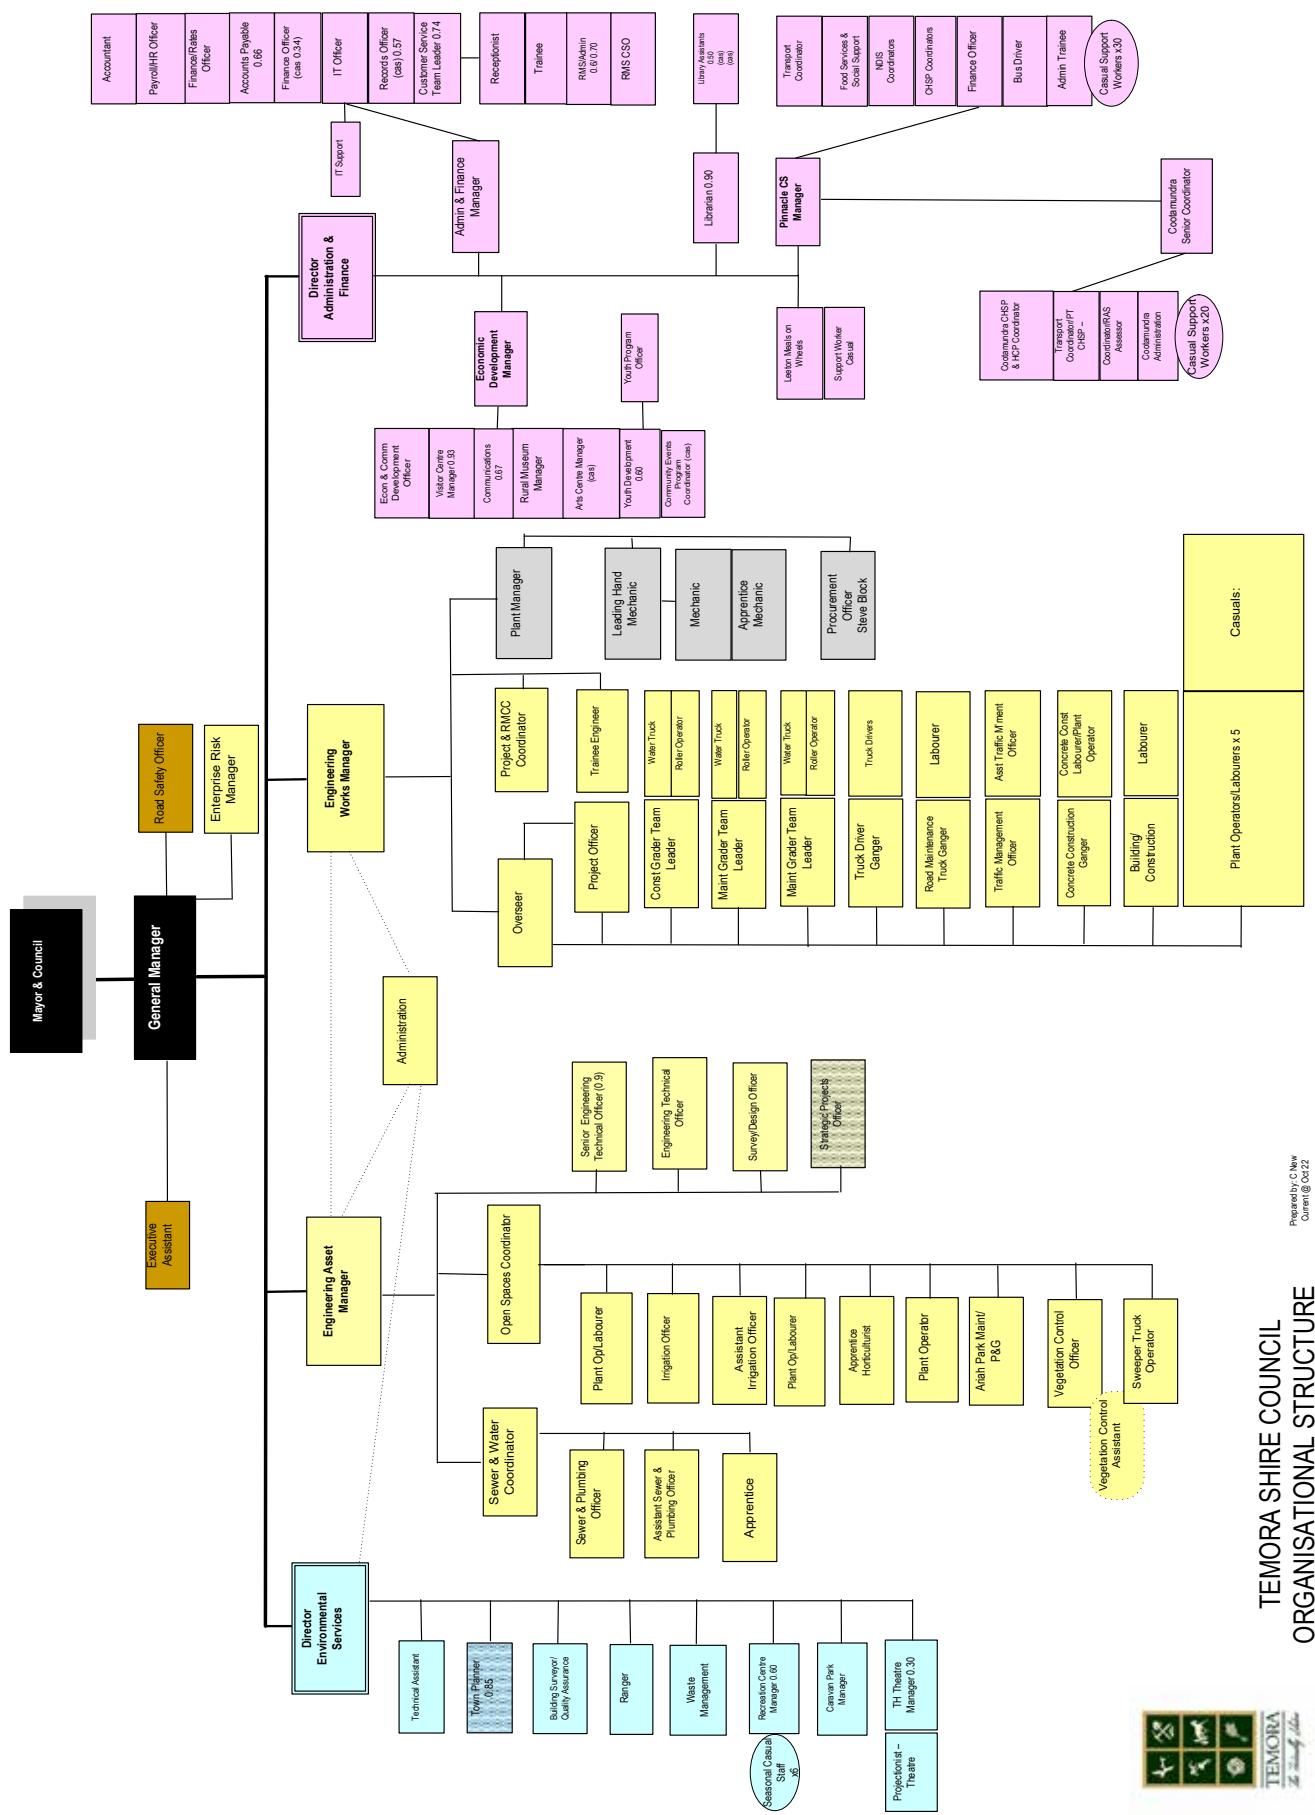

Workforce Distribution by Age and Gender

| Age Distribution | Male | Female | Total |
|------------------|-----------|------------|------------|
| <30 | 22 | 22 | 44 |
| 31-40 | 14 | 23 | 37 |
| 41-50 | 11 | 23 | 34 |
| 51-65 | 22 | 33 | 55 |
| 60+ | 13 | 17 | 30 |
| | 82 | 118 | 200 |

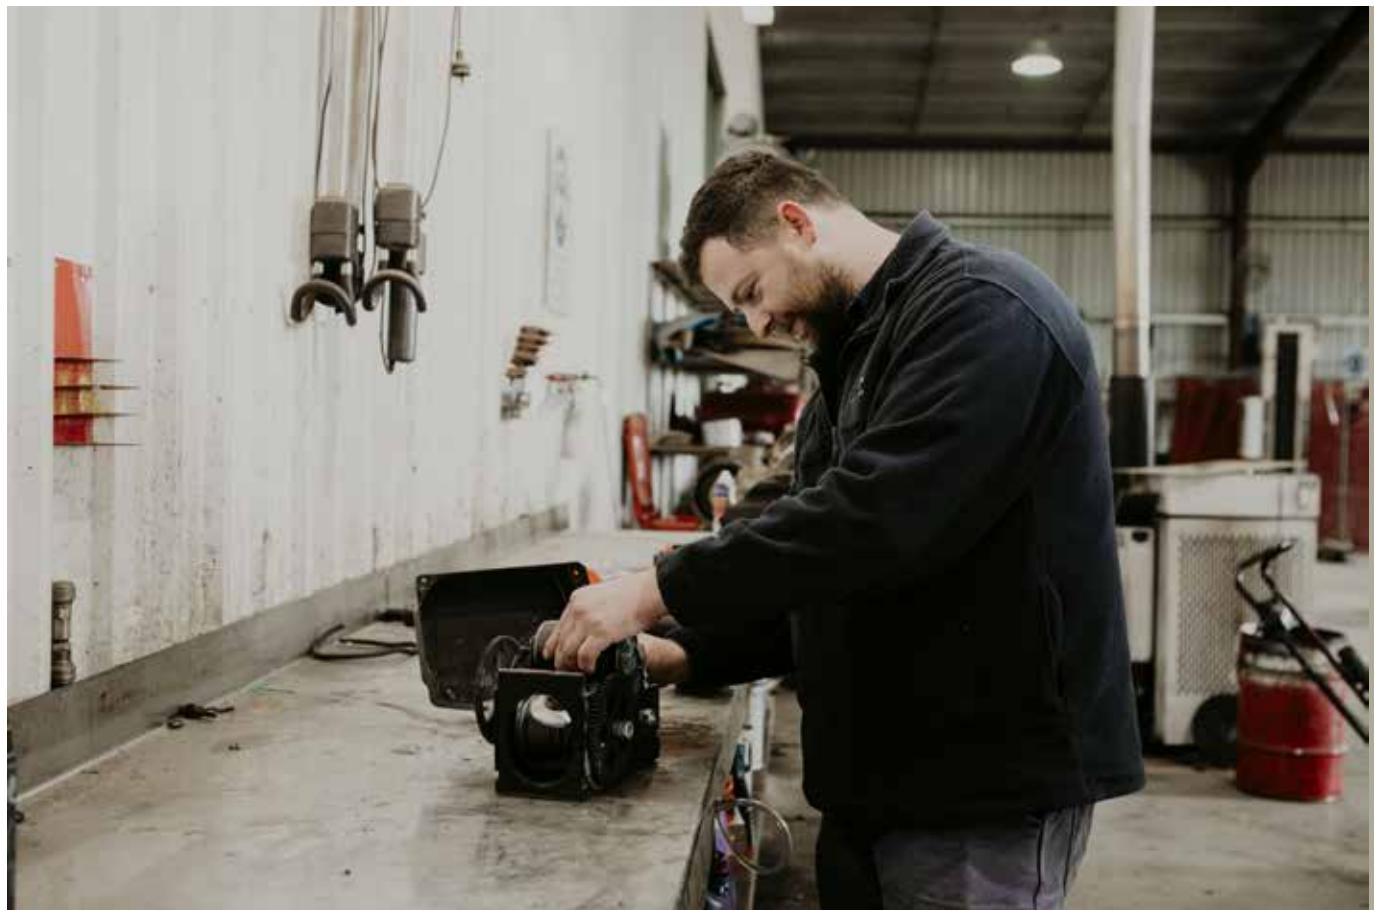

Temora Shire Council Organisational Structure

CHALLENGES

Temora Shire Council faces a number of challenges in relation to sustainable workforce planning. Some challenges relate specifically to the implementation of Council's 4 year delivery program whilst others are long term, ongoing challenges that relate to supporting the attraction and retention of skilled and experienced staff. The key challenges that Temora Shire Council will face in relation to workforce management are:

- Gender equality
- Staff turnover
- Ageing workforce
- Attracting and retaining young people
- Attracting and retaining skilled professional and technical staff
- Meeting diverse community expectations with limited resources
- Ensuring supervisors and managers have leadership and management skills
- Sourcing skilled employees to meet the growing needs of Home Care Packages and National Disability Insurance Scheme Packages
- Maintenance of permanent workforce numbers in operational areas given the uncertainty of capital grant funding.
- Casual staff numbers at Pinnacle Community Services have increased significantly (These numbers are dependant on funding programs through relevant government departments e.g. NDIS, CHSP.)

STRATEGIES TO MEET FUTURE WORKFORCE NEEDS

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|---|--|---|--------------------------|---|
| Workforce Planning <i>An understanding of our current and future workforce needs</i> | This will allow Council to understand current and potential future workforce issues that could impact its ability to implement Delivery Program actions. | <ul style="list-style-type: none"> Enhance current reporting on workforce demographic data Enhance the process for Exit Interviews | Ongoing June 2024 | <p>Workforce data is provided to Manex at least annually</p> <p>Participation in annual PWC survey</p> <p>Exit Policy to be reviewed</p> <p>100% of departing employees (FT/PPT) participate in Exit Interviews</p> |
| Meet organisational needs <i>A workforce with the required skills and expertise to implement Council's Delivery Program</i> | Particularly in the area of Community Services, Economic Development, Facility Management, grant writing, project management | Continue to engage suitably qualified contractors, consultants, fixed term and casual staff to support the permanent workforce in the delivery of projects in the Council Delivery Plan | Ongoing | Report to MANEX each 6 months to present workforce hours |
| Recruitment and Selection <i>Attract and retain qualified and skilled people</i> | Capacity to implement the Delivery program actions that require skilled, experienced and/or physically capable staff | <ul style="list-style-type: none"> Recruit younger people through innovative and dynamic recruitment processes – including the use of social media. Continue to focus on attracting skilled and qualified staff to the organisation, including innovative recruitment advertising, seondment and job share opportunities, resource sharing and partnerships Develop Recruitment and Selection procedures | | Aim to have <10% of positions requiring readvertising |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|---|--|--|------------------|--|
| Workplace Diversity <i>Value difference and have a workforce that reflects the community's profile</i> | A diverse workforce that reflects the community's profile | Commitment to building a diverse & inclusive workplace where the skills, perspectives and experiences of our people are valued and respected | | Investigate continuance of PWC survey for applicable data |
| Placements <i>Provide opportunities for younger people to experience what Temora Shire Council has to offer</i> | Promote Council and Local Government as an attractive career option, including activities during Local Government Week | <ul style="list-style-type: none"> • Partner with local high schools the tertiary education institutions within the region to offer work experience to students • Offer Administration Traineeship positions annually | Aug 23 Annual | Activity held within Local Government Week Administration Trainee program continuance |
| Trainees & Apprenticeships <i>Grow our own</i> | Meet skills and resource gaps that may exist within the Delivery Program | <ul style="list-style-type: none"> • Offer Traineeships and Apprenticeships • Offer Cadetships in skills shortage areas • Foster relationships with key training providers and the Australian Apprenticeship Centre • Ensure each Trainee/ Apprentice is allocated a mentor. | Ongoing | Investigate options for Trainee programs in different areas of Council |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|--|---|--|------------------|---|
| Employee Orientation <i>New Employees feel welcome and supported</i> | New employees are welcomed and supported | <ul style="list-style-type: none"> Continue to implement/improve the comprehensive orientation program that creates a strong first impression of Temora Shire Council Ensure all new employees have all the required information required to begin a new position Ensure Temora Shire Council's values are promoted throughout the induction process, position descriptions, employee appraisal process and team meetings | Ongoing | 100% new employees participate in induction programs |
| Succession Planning <i>A long term focus ensuring that appropriate skills and experience exist within the organisation</i> | <ul style="list-style-type: none"> Identify critical roles within teams Identify potential successors High potential employees are supported and encouraged to grow and develop | <ul style="list-style-type: none"> Develop a framework to facilitate employee development approaches tailored to individual employee requirements Provide support to leaders for ongoing succession management | | <p>Council has a Training & Succession Plan that supports its Operational needs</p> <p>Skills gaps identified</p> |
| Learning & Development <i>Relevant development opportunities are provided to all employees</i> | <ul style="list-style-type: none"> Employees have the capabilities required to perform their role Career development is encouraged and supported Maintain up to date compliance training | <ul style="list-style-type: none"> Prepare training plans for employees following on from Reviews Deliver compliance training as required | Sep 23 | <p>All employees have access to career enhancement</p> <p>Council's workforce are aware of potential opportunities for growth and development</p> |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|---|---|---|------------------|--|
| Employee Reviews <i>Recognise employees efforts, capabilities and performance and address performance issues in a timely manner</i> | Support employees understanding of key performance targets that relate to delivery program outcomes and how their job and performance fits into the bigger picture. | <ul style="list-style-type: none"> Develop annual performance plans for each employee including links to the Delivery program, the position's PD and the Council values. Ensure that supervisors and managers provide opportunity for open and ongoing two way feedback with employees | Sep 23 | 100% of employee reviews are completed Supervisors and Managers have the training to provide consistency across all staff undertaking reviews. |
| Fixed Pay <i>Grade/Levels reflect the role and the broader market</i> | Present as an employer of choice and to competitively attract skilled and experienced staff | <ul style="list-style-type: none"> Pay rates are regularly reviewed against industry benchmarks Positions are evaluated using Position Evaluation Tool in salary system | Ongoing | All new positions/ altered positions are evaluated All skill sets are current to the position |
| Recognition System <i>Commitment, loyalty and continued service to Temora Shire Council is recognised and valued</i> | Support the celebration and promotion of key achievements within Council – especially those that support the achievement of key Delivery Program actions | <ul style="list-style-type: none"> Continue to recognise and celebrate key service milestones with long term staff members, with Council and where appropriate in the media Celebrate and acknowledge qualification achievements made by staff including at staff breakfasts Enter staff and their innovations in awards where appropriate | Ongoing | 100% of employees reaching milestones are recognised Employee Incentive Awards are awarded throughout the year if applicable Review of Award/ Recognition policy |
| Work/Life balance <i>Present as an employer of choice and to competitively attract skilled and experienced staff</i> | Our staff enjoy their work and meet their family/personal obligations | <ul style="list-style-type: none"> Develop a Flexible Work Arrangement Policy ensuring it is relevant for supporting work/life balance | | Promotion of the policy to all staff |
| Equal Employment Opportunity <i>Present as an employer of choice and to competitively attract skilled and experienced staff</i> | Provide a workplace free of discrimination/ harassment/ bullying | <ul style="list-style-type: none"> Diversity is recognised and valued by all employees EEO principles are embedded in our policies and procedures Develop a Diversity Inclusion Action Plan | | |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|---|---|---|------------------|---|
| Employee Assistance Program <i>Provide a supportive environment for all staff</i> | Employees have access to professional, independent counselling support | <ul style="list-style-type: none"> Continue to provide free confidential counselling services to employees and families Promotion of EAP services to all staff through staff breakfasts, Communiqué and when staff are in need | Sept 23 | EAP service is available to all employees All staff are aware that EAP Services are available Report usage to MANEX |
| Work Environment <i>Provide a supportive environment for all staff</i> | Provide a consistent, productive and positive work environment for all staff | <ul style="list-style-type: none"> Open and productive working relationships exist Code of Conduct training is provided to all staff every 3 years Senior managers and HR to support managers in addressing poor behaviour promptly and in accordance with Council's policies Promote the Council's values through each employee's annual performance plan, assessed at the annual performance appraisal, on posters and at team meetings Conduct Employee Engagement Survey every two years | | Meet Award obligations 100% Employee performance issues are resolved Surveys indicate a positive workplace |
| Safe Work Environment <i>A workplace that is safe and healthy</i> | All staff understand their safety rights and responsibilities, and the Council is compliant with all applicable legislation | <ul style="list-style-type: none"> Employees are encouraged to take responsibility for their health and wellbeing Develop and implement annual WHS Action Plans WHS and Risk Management is the first item at all toolbox and team meetings Proactively and in a timely manner investigate all workplace incidents and grievances Establish a Health and Wellbeing program | Ongoing | All employees are aware of their rights and responsibilities Establishment of Health and Wellbeing programs Provide report to MANEX |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|--|---|---|------------------|---|
| Risk Management <i>Risk Management is an embedded business practice</i> | All actions within the Delivery Program – including events & infrastructure activities comply with the relevant risk procedures | <ul style="list-style-type: none"> Risk identification, assessment and control occurs in a consistent manner across Council activities Develop and implement an annual Corporate Risk Management Plan with department plans underneath Train all staff in risk management concepts and undertake required risk identification and management tasks | Ongoing | Monthly WHS & Risk are discussed at monthly meetings |
| Injury Management <i>Injured employees are effectively returned to the workplace</i> | Provide a supportive, healthy environment for all staff | <ul style="list-style-type: none"> Maintain the current proactive approach to injury management Maintain effective working relationships with external injury management stakeholders Review the Injury Management Policy to strengthen incident investigation, early injury management and allocation of alternate duties. | Ongoing | All injured workers are provided with alternate duties until they return to their pre injury duties |
| Organisational Culture | A positive, vibrant and responsive organisation | <ul style="list-style-type: none"> Mutual trust and respect is demonstrated by all employees Conduct Employee Engagement surveys every two years Implement Employee Engagement survey results Include the leadership values in each supervisor's annual performance plan and assess them at appraisal time each year | 2 yearly | Employee Engagement Survey conducted every two years Increase in survey response rate |

| Key Area | Specific Outcome | Actions | Timeframe | Measures |
|--|---|---|------------------|---|
| Strong Leadership <i>A strong and committed leadership approach</i> | Provide effective and committed leaders at all levels | <ul style="list-style-type: none"> • All new supervisors attend leadership training & refresher training for experienced staff • Regularly update staff on key issues, projects and decisions through the Communiqué, team meetings, with executive staff being seen regularly in the field • Provide higher duties and secondment opportunities so people are exposed to leadership roles | | <p>Leaders have attended appropriate training courses</p> <p>Regular meetings held within departments</p> <p>Higher duties made available</p> |
| Employee Engagement <i>A workforce that is engaged and empowered</i> | | <ul style="list-style-type: none"> • All teams have regular team and tool box meetings where two way communication is fostered. • Actively involve all staff in reviews of all Integrated Planning Documents including the Community Strategic Plan | Ongoing | Review Five Seven Reports and implement actions |

Conclusion

This Workforce Plan is an evolving document that complements the suite of documents produced by Council as part of its Integrated Planning process. Continual review of this document will ensure that staff demographic information is accurate, current and can better identify future skill needs. The review will also allow for better pathways for learning and development also enhanced position descriptions and competency statements leading to better staff recruitment and retention outcomes.

LONG TERM FINANCIAL PLAN

This document presents to the community Council's adopted Long Term Financial Plan (LTFP) for the 10 year period from 2023/24 to 2032/33.

The 10 year Financial Plan will be used to forecast Council's long term financial sustainability and will assist Council with its decision making and problem solving in deciding how best to achieve the Council's corporate objectives while addressing its long term financial challenges. The LTFP is not intended to indicate what services/proposals should be allocated funds but rather it addresses areas that impact on Council's ability to fund its services and capital works whilst living within its means.

This LTFP does not allow for any additional funding for the maintenance/upgrade of Council's infrastructure assets other than annual CPI increases. The LTFP has been prepared based on the assumption that Council will continue to be responsible for providing the current range of goods and services with the current service delivery methods being largely unchanged.

Reviewing the Plan

The LTFP will be reviewed annually as part of the development of Council's Operational Plan. The review will include:

- An assessment of the previous year's performance in terms of the accuracy of the projections made in the plan,
- Were estimates accurate?
- Were the assumptions underpinning the estimates accurate?
- An explanation where major differences emerge between budget estimates and actual expenditure/income.

LTFP MODELLING ASSUMPTIONS

OPERATING INCOME

Rates and Annual Charges

This includes General Rate Revenue, Domestic Waste Management Charges and Sewer Availability Charges. The NSW State Government pegs rate increases and to reflect the conservative nature of these increases, the LTFP has provided for 3% increases for the period 2023/24 to 2022/33.

The rate increase for 2023/24 has been set at 3.7% which is the rate pegging limit announced by IPART.

Council has resolved to adopt best practice pricing for sewerage with common sewerage charges across the Council area, and best practice pricing was implemented in the 2008/9 financial year.

The charge for 2023/24 has been increased by 5% to meet expenditure requirements. The increase proposed for the period 2024/2025 to 2032/2033 is 5% per year.

The domestic waste management (DWM) charge must be determined each year pursuant to Section 496 of the Local Government Act 1993. This charge is audited by Council's external auditors to ensure that the rate is reasonable and that the cost of collecting and processing domestic waste throughout the Council area is relative to the charge for providing the service.

The charge for 2023/2024 has been increased by 5%. From 2024/2025 to 2032/2033 the annual increase is set at 5%.

User Charges and Fees

Generally the majority of Council's fees and charges have been indexed by the projected CPI for the life of the LTFP. Sewerage usage charges have been indexed in accordance with the increases outlined above for annual charges.

Financial Assistance Grants

Grant revenue from the Financial Assistance Grants Scheme has been increased by 3.5% per year.

Operating Grants

All operating grants have been indexed by 3.5%.

Interest Revenues

Interest on investments attributed to the General Fund has been set to 3% of the projected reserve balances.

Other Revenue

Other revenue has been projected based on CPI growth of 3.5%.

OPERATING EXPENDITURE

Employee Costs

Employee costs include salaries, wages and employee leave entitlements and have been estimated to increase by 4% for 2023/2024 and thereafter have been indexed by 3.5% per year.

Workers compensation have been factored by the same index while superannuation is set to 11% for 2023/24 and will increase in line with superannuation guarantee legislation for future years.

Insurance Costs

The LTFP includes a projected increase for public liability and property insurance of 3.0% per year from 2023/2024 to 2032/2033.

Materials and Contractor Costs

Materials and contractors costs have been indexed by 3.0% for the life of the LTFP.

Depreciation

Depreciation expenses have been indexed based on the 2021/2022 levels.

Other Expenses

The model makes no allowance for the impact on Council's operations for population growth or for the impact of climate change.

Borrowing Costs

In July 2018 Council borrowed \$2m to fund the purchase of the works depot. This loan will be repaid over a period of 8 years.

In May 2020, Council borrowed \$1M to fund the construction of a supported independent living house. Council has also borrowed \$1.21M in 2021/2022 to fund the upgrade of the Temora Swimming Pool. This loan will be repaid over 20 years.

CAPITAL EXPENDITURE AND INCOME

A Capital Works Program has been detailed in the attached asset plans for the period from 2023/2024 to 2032/2033. The infrastructure plans for:

1. Roads, footpaths, kerb & gutter
2. Sewerage Treatment and effluent reuse
3. Aerodrome
4. Land and buildings
5. Bridges and stormwater management
6. Plant Replacement

detail expenditure and funding means for these projects.

Note:

Financial modelling for different scenarios (planned/optimistic/conservative) has not been carried out. Council has adopted a conservative financial strategy as evidenced by the assumptions described previously and this, together with the annual review and analysis limits the variability and volatility of the projections.

Financial Performance Indicators

Council has maintained financial ratios as identified in the statement of Performance Measures note to the Annual Financial Statements.

The assumptions used in the LTFP have been adopted to assist in maintaining Council's financial ratios.
